- WHEREAS, the Oneida Business Committee may be delegated duties and responsibilities by the Oneida General Tribal Council and is at all times subject to the review powers of the Oneida General Tribal Council, and
- WHEREAS, the Oneida Business Committee passed Resolution #09-02-98-A, amending the Oneida Tribal Sanitary District Ordinance to include the safe collection of solid waste refuse and recyclable material and for the Oneida Utilities Commission to charge and/or seek grants for the same,
- WHEREAS, the Oneida Recycling and Solid Waste Disposal Law makes no mention of the Oneida Utilities Commission, and

which has resulted in two or more solid waste and/or recycling vehicles on the same road which were contracted for by different governments, and

WHEREAS, the local governments have entered into negotiations, of which the Oneida Tribe participated, to avoid this overlapping service and to allow the governments to use those funds for alternative purposes, and

WHEREAS, the time frame for entering into these cooperative or combined agreements for a single service coverage is governed in part by the current contracts coming to an end, and

WHEREAS, the Oneida Business Committee finds that an amendment to the Oneida Recycling and Solid Waste Disposal Law is in the best interest of the public.

NOW THEREFORE BE IT RESOLVED, that the Oneida Recycling and Solid Waste Disposal Law is amended as follows:

An Article XIII., at the end of the last sentence, add the following which states: The Oneida Business Committee further delegates to the Oneida Utilities Commission the authority to set and collect rates and fees, in a reasonable and equitable manner, and to enter into agreements for the collection of recyclable materials and solid waste.
