220-AMENDMENTS TO THE HUNTING REGULATIONS - Rick Hill

Rick presented five points he is recommending to be amended to the hunting regulations.

The dates of the Oneida Hunting season will be concurrent with the states.

Bow Season	September 15 to November 16
Gun Season	November 17 to November 25
Subsistence Season	December 1 to December 31

- a. Bucks only from September 15 to November 25.
- b. Bucks and Does in December.

2. All deer must be tagged.

- a. Tagging will be done by Jim Danforth, One Stop Manager and One Stop Assistant.
- b. Enrollment offices will not tag this year.

3. Enforcement: This was raised as a concern recognizing that the present enforcement is strictly voluntary. Many examples of known abuses by Oneida Tribal members were discussed. Although there was no consensus, it is recommended by this Office that some sanctions be included in the regulations. These may be difficult to enforce, however, most Tribal members will abide the ordinance. The following suggested sanctions should be considered for inclusion in the regulations.

AMENDMENTS TO HUNTING REGULATIONS (CONTINUED)

3. Enforcement (Cont.)

- a. Citations
- b. Revocation of hunting rights
- c. Civil Fines
- d. Hunting Advisory Hearing Board
- e. Community service-deer to needy, elderly

4. Fees: The discussion on this matter was inconclusive. Suggestions about uses to which fees could be put, included education. This is strictly a policy matter that can be decided by the Oneida Business Committee.
