Committee met at CCC Bldg. to make out control sheets for the questionnaires on Public Housing.

Discussion held concerning what the next step would be; Chairman advised Mrs. Moore to call Mr. Rileys office and find out when Mr. Kuzlowski could come out again to help explain the Ordinances received from the PHA, as Council thought they should know more about it before presenting it to the Tribe.

It was suggested by Norbert Hill to have An Attorney from Green Bay explain it to use , but Council thought they should consult the Agency about it first, as this being in connection with Indian lands could make it quite different from other PHA Programs.  
Meeting adjourned to meet again when we heard from the Ashland Agency.
