Purpose of the meeting was to review a Lease which would be utilized to establish a business in the Oneida Industrial Park in Green Bay.

V-Chrmn. Hill called the meeting to order at 7:00 pm.

Some of the people in attendance did not have time to look over the Lease. Francis stated there were some changes he would recommend.

Mark brought the Business Committee members that did not know, up to date as to what is happening with the Industrial Park. The intent is to a Machine shop in the Park.

Discussion followed regarding: The loan (would be for \$625,000 with 20 years to pay at \$3,225.61 per month). The BIA rate of interest varies each month. The construction time would be 4-5 months. The Tribe should compare other Indian Industrials in Wisconsin. Persons who could assist in this area are: Celestine Maus, Bob De Thorn and Bruce LaGrande.

Ann Spencer stated the Dept. of Interior needs to approve of the Lease and at this time it is not ready to be approved, it is not written correctly. She will work with Francis on this.

Mr. Mihajlov stated that this could be a good business and most of all he hopes that it would generate income for the Tribe.

Question arose of another appraisal being done, BIA will check into this, as one was done on March 9, 1979.

Mark made a motion to adjourn at 8:45, Margaret seconded. No one opposed, motion carried.

Respectfully submitted,

Wanda Webster
