Joe stated the new indirect cost proposal was sent in last week, the rate for FY'82 will be 16.9%. A question was asked as to why such a big reduction in the rate from this year, Joe stated there has been a lot of cut-backs in Administration. Program Director's are to include the new indirect cost rate in their budgets for FY'82. Joe also requested from Program Director's a budget sheet showing how much indirect cost they expect to get from their funding agencies, this is to be in by July 10, 1981, the information is to go to the Controller or Treasurer. The reason budget sheets are needed is because some programs do not receive the full indirect cost rate from their funding agencies and the Tribe needs to be able to appropriate funds accordingly. Joe stated the Finance and Appropriations Committee will review all budgets and prioritize programs and submit to the Business Committee for approval.

Discussion on time sheets, Program Director's are having a time finding their liason persons to sign their time sheets.

Meeting ended at 9:40 A.M.
