The total estimates for Categories A, B & C is \$50,570.00. The category for Water & Septic is approved for Kathy Green and Blanche Polzin. Kathy Green has already been started on and she is not on HIP list. Needs to be approve and sent into BIA. Blanche Polzin also needs to be approved for HIP list. Lee McLester was not on list. were told if someone on list is in greater need to do them first. Questioned if HIP was just for Indian people or only Oneida's. Gary asked where our priority should be. Mark felt we should be checking to see if Blanche Polzin is on the Oneida rolls. Joy will check this out. Mark felt Kathy Green had already applied. Question on situation. Gary stated this was a humanitarian decision as son is handicapped. He has also taked with Henry Skenandore in regard to this situation. Discussion on land release. Howard was asked to check on this situation with Henry Skenandore land. The reconsider category. These six were all on the approve HIP list. They were not given assistance because of the greater need of other people & they had only been working with \$45,000.00. It was the recommendation of the Committee that these be reconsidered.

Discussion regarding guidelines for income, illegibility, etc. John will finish the perc tests and then would be able to see what kind of assistance they really need according to how many pass the perc test. Some of the people who applied for 1983 could be moved up to 82 budget.
