BINGO BUILDING UPDATE - Bruce King

Bruce showed the Business Committee the overall tentative site plan and explained the locations of the buildings on the site and how the parking area would be set up. Then he showed the tentative building plan. The Business Committee members that went to Florida explained the things they had seen in the Bingo Building there. Many of these things were brought out to Bruce to be looked at in the construction of the Bingo Building here. Bruce made note of the points and will bring back another draft on the structure of the building. Approval of site plan and structure of building was needed.

Frank moved to give tentative approval of this site plan contingent upon receiving a total site area. Howard seconded. Motion carried.

Bruce would like a feasibility study on hotel convention center by Pannell Kerr Forster. This company has a very good reputation in this area. They have agreed to do the study for not more than \$10,000.00. The Law Office would check any contract. Once started it would take five to six weeks to finish.

Frank moved to approve the feasibility study by Pannell Kerr Forster, not to exceed \$10,000.00. Howard seconded. Motion carried.

Bruce asked for approval to contract with Foth & Van Dyke to conduct feasibility on Sewer and Water hook-up at Airport Site.

Gordon moved to approve. Tony seconded. Motion carried.

TRAVEL REQUEST

Gary Metoxen is to go to Eau Clair on July 22, 1982 for GLITC meeting. Howard moved to approve. Gordon seconded. Motion carried.

Howard Cannon requested to go to Mt. Scenario College, Ladysmith, Wisconsin on July 31, 1982 to attend Mining & Water Forum as per memo of July 19, 1982. Tony moved to approve. Mark seconded. Motion carried.
