The EOC program is coming to an end on August 31, 1982, and the staff has been informed that they will be layed off, at the end of the contract.

Yvonne Tubby would like the Business Committee to consider a reorganization of the Oneida Higher Education Office and she is continuing to attempt to reverse the decision of the Department of Education to not refund our Program.

Mark stated education is our #1 priority and with the funds being cut we have to take a better look at our Education Department and how we can best help our students. Frank moved to refer this subject to the Tribal Administrator for review. Howard Seconded. Motion carried.
