Action taken to notify proper parties of removal actions by the General Tribal Council

The Certified Results of the Removal Hearings were sent to all Bureau of Indian Affairs Departments and letters are being drafted by the Law Office to send to the other government agencies and any appropriated parties. A memo was sent to all employee's of the Tribe, a notice is being prepared to put in the newspaper, and all Vendors of the Tribe will be sent notices.

Bingo Building - Lines of Communication

Bruce King: This is remind the Business Committee and to inform all other sub-committees and Tribal employees that no direct communications should occur with OTDC/Detrie Construction or the other contractors working on the Bingo Building. Any requests for information

from OTDC and the other contractors should come from the Tribe's Architect, Surplice Associates channeled through the Oneida Planning Office. Tribal communications to the contractors should be sent through the Planning Office to the Architect and only then to the contractors.

Bruce will also talk to OTDC about the necessary lines of communication.

Proposed Well at Bingo Site

The proposed well is to serve a planned activity building for the Tribe. The Fort Howard Paper Company Landfill is located about 700 feet north of the proposed well site. Information on file with the Department's Bureau of Solid Waste Management indicates that a ground water mound has developed beneath the settling lagoons with groundwater movement in all directions away from this mound. This placed the proposed well site down gradient from the landfill. Bruce is going to get more information on the possible problem with the well.

638 Training Session

A training session is being held in Minneapolis on November 3 - 5 to discuss the proposed Revisions of PL 93-638 Regulations. Kathy Hughes has been in charge of the 638 project. Mark made a motion to send Kathy Hughes to the training session. Tony seconded. Motion carried.
