220-MEMO REGARDING FIREWORKS - Jerry Hill

Cliff Webster requested approval to sell fireworks to raise funds for the Recreation Department.

The Law Office reviewed the liability risk to the Tribe. They (Law Office) recommends that if the Oneida Business Committee wishes to authorize firework sales, the circumstances surrounding such sales be carefully prescribed by an ordinance or resolution.

Gordon moved that the Oneida Tribe not be involved in the sale of fireworks, with the exception of the legal fireworks sold over the counter. This is to protect the Tribe from the liability damages and the potential danger to the youth in the community. Lloyd seconded. Mark opposed. Motion carried.

This would not prevent the Recreation Department from putting on a supervised firework display.
