Because of the help of this Oneida Chief in cementing a friendship between the Six Nations and the Colony of Pennsylvania a new nation, the United States, was made possible.

TUESDAY, MARCH 10, 1992

Present: Rick Hill-Chairman, Deborah Doxtator-Vice Chairperson, Loretta V. Metoxen-Treasurer, Amelia Cornelius-Secretary, Russell Metoxen, Julie Barton, Mark Powless, Shirley Hill-Council Members

Others: Phil Lucas, Sandy Ninham, Marge Stevens, Bobbi Webster, Thelma McLester, Z. Ron Skenandore

ORTEK is paying Phil to be in Oneida to scope out the community

A variety of programs would like to have a video for marketing, information, etc.

Discussion on what is needed, to tell the Oneida Story, history, culture, etc.

Video tape can be used to convey emotion, facts and figures are better used on hard copy (paper)

Need to use video to change emotions of the audience. Need to change the viewpoint of listeners. Need to find a way to honor outside community to recognize them.

Believes principles of long time ago are applicable today but how they are applied is different.

- 1 - Education - Learn about subject
- 2 - Become attuned - spiritual
- 3 - Make effort to call them to you
You can't just sit and expect things to happen
- 4 - Share information, etc.

Bobbi has developed a questionnaire that is being distributed to Directors in regard to the need, to be returned by March 31, 1992.

If Tribe goes ahead with project, request at least two trainers in media production with Mr. Lucas as mentor.

Respectfully submitted
