### Review of Expansion Proposal.

Temporary structure - can be leased with option to buy or purchased.

- Other uses: -Ware house
- Recreational
- Breakdown into smaller building

Proposed financing - Tribe COULD finance Sprung system with internal financing

Question by Julie and Shirley on alternate use of Spring Building and compare cost for conventional construction or pole barn type structure.

Sewer System - Temporary with Ashwaubenon. Permanent system would be tapped to Tribal system. Extremely costly to tap into system twice.

### PROPOSE:

- Ernie provide alternate for temporary buildings.
- Window of time is short
- Comparison of construction to cost per month vs. net profit per month

Discussion Pro & Con on temporary structure.

Financing - Task Force will handle along with Loretta.

Respectfully Submitted,
