Discussion on security checks of employees. Statewide, FBI, nation wide.

Prosecution of criminals will be through Brown County, Village of Ashwaubenon, City of Green Bay and Outagamie County.

There are very few laws that allow to prosecute for theft at a casino by customers and employees. Tribes should consider specific legislation for illegal gambling related crimes. Another route is to have laws with local municipality.

Need to develop a system between law enforcement on sharing of information regarding background checks.

Develop strategy on carrying out enforcement.

Dump Tony Hope from IGRA.

Possible development of a Department of Gaming

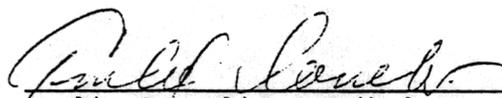

Tribe needs to develop all the rules and regulations for gaming so that Tribe can apply for self certification.

Public Safety will need to develop this code or Standard Operation Policies.

Insurance Company has concern with Tribe knowingly hiring a person who was previously convicted of theft, then insurance company will not be liable.

Tribe will need to send letter designating Jim Danforth as the contact person for law enforcement.

Respectfully Submitted,
