

Amy Griesbach
OFFICE MANAGER

I've been employed with the Oneida Tribe and a member of the fitness center since 1996. Health and fitness is an important part of my life. I'm very excited to be part of the Family Fitness team and to meet the members and help them achieve their fitness goals.

My administrative experience comes from working in the Internal Security Department at the Oneida Bingo & Casino from 1996 – 2007; then joining the Family Fitness team in 2007. I love working with people, so it's a great privilege to be able to greet and serve the members of the Fitness Center.

When I'm not at work, I enjoy spending time with my husband and two sons (Logan-13 yrs and Kaleb-10 yrs). I enjoy running, volleyball and any other sports that you can do outdoors, as long as the weather is nice. In the summer, you will find me either swimming with my kids or just relaxing by my family's pond and pool.

My goal is to make every member's visit here at the Oneida Family Fitness Center, an enjoyable experience! I look forward to meeting all of the members.
