

Nicole Herlache
SENIOR LIFEGUARD

I have been a member of the Oneida Family Fitness Center since I was really young. I have enjoyed the time I spent here just working out. I never imagined I would one day be working here. Now I have been working here since June of 2003.

Being a member of the Oneida Nation Tribe, I would sincerely like to give something back to the tribe, which has given me so much. I choose to do so through my years of service for the Tribe. I have acquired many certifications to better myself, and it is my goal to be able to be able to assist in any way I can.

Certifications:

**Certified Pool Operator
CPR/AED for the Professional Rescuer
First Aid

Waterfront Lifeguard
Bloodborne Pathogen and Disease Prevention
SCW Fitness Instructor
AFAA Certified Personal Fitness Trainer
Arthritis Foundation Aquatics Program Instructor
