

Shekoli~

The Tribal Aging & Disability Resource Specialist located at Oneida Elder Services, has been working in partnership with the Alzheimer Association in introducing the Wisconsin Dept. of Health Services Music & Memory Pilot Program to the Oneida Tribal community and their families.

The Wisconsin Music & Memory Program has been designed to help people with Alzheimer's and related dementias find renewed meaning and connection in their lives through the gift of *personalized music*. Music has the capacity to transform the quality of life for people struggling with a wide range of physical and cognitive impairments.

We are looking for volunteers from Oneida Tribal families that are caring for a member who have been diagnosed with of a form of *dementia* to participate with us in this project which is completely free!

The selected individuals along with their caregivers will receive a *free iPod*, with a downloaded playlist of music that the individual enjoys listening to.

***A current tribal caregiver has already reported; "I cannot believe the difference the music has already made in his life and in mine!"***

For more information please call Elder Services and ask for The Music & Memory Volunteers:
