We acquired 4.26 acres. We currently own approximately 26,813.65 acres which is 41 % of the reservation. The Oneida Land Commission is not a real estate developer. Future development decisions occur in another area of the Tribe.

Why do we want to own the land?

To exercise sovereignty & jurisdiction, maintain rural character, control development, ensure sustainability, enhance community development, grow food, provide housing, and for Oneida pride and identity
