Per Capita Ordinance
BC Resolution # 2-28-01-E
Emergency Amendments

The Oneida Business Committee having found that certain provisions in Sections 4 - 4 of the Oneida Per Capita Ordinance create conflict and confusion over the administration of the garnishment provisions of that Ordinance, and specifically over the hearing body, and having found that it would not serve the general welfare of the Tribe to go forth with the pending per capita payment without remedying the aforesaid conflicts and confusions, and having found further that the pendency of the per capita payment constitutes an emergency requiring the Oneida Business Committee to exercise its emergency amendment authority under Article VI of the Administrative Procedures Act, Sections 4 - 4 is hereby amended as follows:

Section 4-4 shall henceforth read as follows:

4-4 *Oneida Trust Committee.* The Trust Committee shall be delegated the following responsibilities in regard to per capita activities. Any responsibility not specifically identified, and reasonably related to the activities identified herein, shall be considered a Trust Committee responsibility.

- (a) Fiduciary responsibility to manage trust accounts related to per capita payments.
- (b) Maintenance of the membership rolls in such a manner as to accurately identify to whom per capita payments will be made.
- (c) Development of Tribal Allocation Plans necessary to make per capita payments.
