NOW, THEREFORE BE IT RESOLVED: That the Oneida Tribe of Indians of Wisconsin respectfully submits a two (2%) percent reduction notice that came after the first quarter and is not acceptable. This actually has a larger impact because the first quarter expenditures had already been complete.

BE IT FURTHER RESOLVED: That Indian Health Service should demonstrate its own ability to reduce its internal expenditures so that services can be maintained if not increased.

BE IT FURTHER RESOLVED: That the Oneida Tribe of Indians of Wisconsin would request the Bemidji area to review its per capita expenditures for the purpose of the expenditures being shared in a fair and equitable manner.
