Oneida Business Committee

ONEIDA TRIBE OF INDIANS OF WISCONSIN

Revenue Allocation Plan Fiscal Year 2005

Section I. Resolution and Repeal of Inconsistent Legislation

This Revenue Allocation Plan ("Plan") was adopted pursuant to Oneida Business Committee Resolution # _____. With the exception of the Constitution of the Oneida Tribe of Indians of Wisconsin ("Oneida Tribe") and the Gaming Compact of _____ and its applicable amendments entered into by the Oneida Tribe and State of Wisconsin, this Plan shall govern the allocation of available net revenues from tribally owned gaming enterprises including per capita distributions to qualified members of the Oneida Tribe.

Section II. Policy and Legislative History

This Plan is in compliance with the Indian Gaming Regulatory Act of 1988 [25 U.S.C. §2701, specifically, §2711(b)(3)(B)] ("IGRA") and all other applicable federal law. The Oneida Tribe shall use revenues generated by Tribal gaming establishments primarily to strengthen the Tribal government, Tribal self-sufficiency and to support Tribal economic development. The Oneida Tribe shall ensure that tribal governmental operations and programs and tribal economic development shall receive the necessary financial support from net gaming revenues prior to distributing such revenues for other purposes.

The Oneida Tribe is committed to providing for the long range security of itself and its tribal members. Accordingly, the Oneida Tribe shall ensure that net gaming revenues are allocated toward investments, programs and projects that impact not only present needs, but also anticipate future needs. In addition, the Oneida Tribe shall ensure that investments, programs and projects funded by net gaming revenues are aimed toward improving tribal conditions and the life opportunities of tribal members for the next seven generations.

The Oneida Tribe retains the inherent sovereign right to determine the best interests of its minor tribal members by providing for their future welfare by placing monies into trust for the benefit of those minor tribal members. The Oneida Tribe shall provide for the future of minors while encouraging tribal member parents to provide for the immediate living needs of their children as is their responsibility.

The Oneida Tribe is committed to the education of its children. Specifically, the Oneida Tribe seeks to increase the high school graduation rates of its tribal members, and encourage its tribal members to pursue degrees in colleges, universities or vocational schools. Currently, the Oneida Tribe offers financial assistance to every eligible tribal member for educational purposes.

Pursuant to General Tribal Council Resolution #7-05-04-B, a per capita payment in the amount of \$800.00 will be distributed to every enrolled member of the Oneida Tribe for Fiscal Years 2005 through 2013. The per capita distribution will be referred to as the "Per Capita Payment."

Pursuant to General Tribal Council Resolution #08-11-97A, a per capita payment in the amount of \$2,000.00 will be distributed to every enrolled elder aged 62 and over to begin in Fiscal Year 1998. Pursuant to General Tribal Council Resolution #6-30-90-A, a per capita payment in the amount of \$500.00 will also be distributed to every enrolled elder aged 65 and over. Beginning in 1994, 5% inflation was to be built into the per capita schedule, to all living persons over the age of 65 by 10/31 of that year. However, 5% inflation was not built into the elderly per capita payment of \$500 until fiscal years 2003 and 2004, when elders were given a per capita payment of \$525, in addition to the \$2,000 authorized by Resolution #08-11-97A. Both elderly per capita distributions will be referred to as the "Elderly Per Capita Payment."

The Per Capita Payment and Elderly Per Capita Payment are being made to offer financial assistance to all members of the Oneida Tribe regardless of their employment with the Oneida Tribe.

The Oneida Business Committee, acting in its capacity as the delegated governmental body of the Oneida Tribe, is adopting this tribal allocation plan in order to implement the above-referenced General Tribal Council Resolutions. Copies of these resolutions are attached.
