Hall will make up a complete description and send through tribal council meeting at C. C. C. at an informal meeting with Mr. E. J. Riley. Discussion held concerning accepting of birth certificates for enrollment in Tribe. He explained that it is not necessary that the certificate state Indian decent; but the Executive Committee verified that they are of Indian blood, must be  $\frac{1}{4}$  degree.

Secretary gave copies of 4 land applications blanks to Mr. Hall and ask him if he thought it would be o.k. for an assignee to go ahead on his land even tho his papers have not been sent back from Ashland agency. Mr. Riley stated he thought it would be o.k. as long as the tribe passed it.

Here is a bill pending now in regards to eliminating the qualifications for vocational education as to students having to live on tax fee land.

Mr. Hall to send copy of Joe Skenandore loan to Tribe. Discussion held on Joe Skenandore's house. If still a loan on house, Tribe would be given authority to rent house until loan paid and then it would have to be probated by an examiner of inheritance and his two brothers or heir would have to be consulted and if there is no loan against it, the brothers would have authority to rent it and collect rent of house; unless a specific heir is designated. Council talked to Mr. and Mrs. Irvin Adams who were present to request permission from Tribe to rent Joe Skenandore house, so they were advised they would have to wait now until the Tribe investigated as to whether his loan is paid up.

Sent papers for land for Lee McLester, David King, Van Roy Thomas, Julius Danforth. Motion by Althea Schuyler to adjourn, seconded by Irene Moore. Carried.
