Visitors: Mr. Van Ryzin, E. J. Riley, Mr. Hall

No quorum. No official business conducted. Mr. Riley suggested that we have a general council meeting and draw up a referendum or ordinance to change the way of our meeting. Mr. Sabie Danforth brought up the subject of road conditions. Mr. Riley suggested that the Executive Board write to county road commissioner any complaints. Mr. Riley reported it may be some time before any credit loans would be appropriated as they are over committed now and they ask that no applications be submitted until such time as any appropriation may be made. Mr. Riley gave a report on Indian status as regards to taxes. Let Mr. Riley know about our meeting the first Monday in February so we can meet with the town board. Mr. Hall told Mrs. Moore they could take care of land (unreadable) for Percy Powless and Harvey Metoxen.
