

COPIED FROM HANDWRITTEN MINUTES

HOTEL NORTHLAND
March 21, 1968
8:00 p.m.

Mr. Winters sitting in for George Farah
Mary Clark--Chamber of Commerce
Frank Christopherson--will meet with Mr. Bethia; to
sign letter of intent. Will wrap up application for
public works. (Application for grant)
1. Step completed.

Ed Whiting: SBA

Asked Christopherson if he has funds provided for his
program. Cut back in funds. Hesitant if funds will
be available from SBA. Christopherson is more con-
fident--no cut back in fiscal year. (July 1)

Mr. Pereau--\$19,000,000--EDA--get busy President
stated in Indian Programs.

SBA:

Better formulation of policy of meetings as such

Wendall--All BIA, EDA, SBA and small industries
represented.

\$1 per common share.

Next step--send out letters.

Mr. Pereau: EDA Grant Application ready--file Monday--
lot of cooperation from city--help tribe estimate
project cost.

Not highly specialized buildings.

BIA--124 industries on reservations. Personally three
industrial installations on reservations.

Straight lease--option--different because this is tribal
land--cannot be sold.

Mr. Houle: Mr. Winters member of Industrial Dev. Authority. Business Management Consultant--Robishaw--no property taxes.

City has serious problem because of manpower--outside firm--engineering of plotting. Street layout and plots topographical.

Mr. Winters: Different types of buildings--minimum specifications for floor loan--for instance.

Mr. Mallmiller--great deal of sympathy with Mr. Whiting.

Whiting--not big bank accounts.

Engineers, marketing experts and management.

EDA application wrapped up.

Mr. Houle--general interest.

Community of Green Bay is vitally interested--Technical Assistance.

Hill: Vote of appreciation.

Vote of adjournment.
