

Feb. 10, 1976

Nursing Home discussion.

Present: Lew Barone, Dennis Nordquist, Clarence Ray, Norbert Hill, Gordy McLester, Ron McLester, Rick Hill, Emerson Reed, Amelia Cornelius, Mervin Jordan

need letter of support for fire protection from IHS

Dr. Johnson
John Buckanagua
Tom Bartholomew

IHS will provide 2 wells (1- 8" and 1-6" with a 10/15 horse-power pump (submersible turbine) to provide 105 gal/min. and the sanitary system.

Longhouse/museum discussion.

Need to submit a request for well and septic system to John Buckanagua.

Site previously selected will be below the Nursing Home site and the water can be piped to the museum. Individual septic system to be installed.

Need to contact Howard Cannon to complete topo on site.

Mr. Barone will need 10 days after receives topo.

Next meeting probably in 2 weeks.
