SPECIAL MEETING
November 7, 1978
11 a.m.

Present: Chrmn. Purcell Powless, V-Chrmn. Norbert Hill, Secretary Patricia Misikin, Members: Mark Powless, Edwin King, Margaret Doxtater, Myron Smith
Also present: Larry Usack of Rasmussen Construction, Bruce Schaepe, Carl Rasmussen and Bill Brownson

Meeting was called to order at 11:20 a.m. Meeting was informational in nature. OTDC made a bid on the paving job on Jonas Drive in the Cora House Site. Bid amounted to \$7070 which was consistent with minority bidding. Question arose about the time the job will be done as it relates to the weather. Mr. Usack indicated that the job could be done in 1½ weeks, weather permitting. The work would be guaranteed for a year.

Discussion of subletting the contract to Rasmussen Construction and the process to be used for completing the job. Should the weather cancel the job for this year, the price would remain constant even though the work would be done in the Spring. Warranty on the work begins when the work is completed.

Myron made a motion that OTDC be awarded the contract and that we support the request to sublet the contract to Rasmussen Construction. Seconded by Norbert. Motion carried unanimously.

Margaret raised a question about CDBG rehabilitation of her house. Land Committee claims that they told her that those funds could no longer be used on her house at the time of title exchange. They also hinted that there was written notice to that effect. Bills have accrued in the meantime and Carl has not paid them for lack of clarification. Land Committee has had the issue on their agenda but has not as yet acted on it. Motion by Norbert to renovate the house according to the previous commitment. Edwin seconded. Vote was 5 for and 1 abstention. Motion carried.

Motion by Norbert to adjourn. Edwin seconded. Meeting adjourned at 11:45 a.m.

Respectfully submitted,

Patricia Misikin, Secretary

Paving Eastern Portion of Jonas Circle (Cora House Subdivision)

Our office has requested project bids from the following firms for paving and adding shoulder gravel to 1265 feet of the eastern portion of Jonas Circle to be paid thru the Community Development Block Grant Program:

Murphy Construction \$7,283

Great Lakes Paving 9,433

Rasmussen Const: 6,483

OTDC has indicated a desire to submit a bid. Because of minority bid requirements (bids within a 10% range of the low bid received must receive the contract) if OTDC submits a price below \$7,131.30 it is recommended they be offered the contract. OTDC indicated a bid will be forthcoming before Monday's meeting.

The contractors involved indicated the work could still be done this season.
