HUNTING AND FISHING

Francis is receiving numerous phone calls in this matter. Bad rapport is developing with the non-Indian population who feel that Indians are killing game on the reservation mainly because the case has been won by the Tribe and the game killed is being wasted. Since the Tribe has no rules or regulations controlling hunting and fishing it amounts to Indian law being no law. Attorneys were instructed to draft an ordinance to control these activities similar to what was done in regard to tobacco sales.

In regard to the Van de Hei trespass case the F.B.I. refuses to arrest the respondent Francis will continue to pursue the case.

In regard to the Smerud case the Judge is procrastinating and keeps moving the hearing date ahead perhaps in hope that case will be settled out of court. A hearing on the jurisdictional issue is scheduled for February. The Judge also wants more information in brief form.

Norbert moved to accept Wanda's request to have the 24th and 25th off. Mark seconded Motion carried.

Mark motioned to accept Wendells request for Friday off. Howard seconded. Motion carried.

HEALTH CENTER

Audrey went over the proposed budget and along with John Powless discussed the re-organization plans of the Health Center operation. Audrey informed the Committee that the funding will be negotiated with I.H.S. Thursday, November 19 at 10:00 A.M. and would also like to know where she stands, position wise, by then. John informed her that until director's position is filled she is the acting director. Audrey informed the Committee that Dr. Mary Leone came aboard on November 9th as a Tribal employee at the salary of \$35,000 for a 90 day period. If things go well she intends to stay.

Committee went into executive session from 4:25 P.M. to 5:00 P.M. to discuss what had transpired in the Health Center matter.

Following the executive session the personnel manager informed the Committee that the person chosen for the Head Start Trainee position had turned it down. The Committee then discussed offering the position to Ms. Teller. A letter from Ms. Teller to the Chairman was discussed. Applicant asks why she was not selected since she is a certified Head Start teacher. Response was that her credentials over-qualified her since this was intended to be a training position. However, the Committee chose to select her for the position.

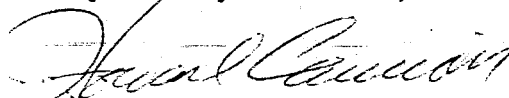

Motion made by Wendell to accept Ms. Teller. Mark seconded. Motion carried.

About the time that Dr. Kaiser threatened to leave, Debbie Skenandore submitted her resignation from the Health Center explaining that she had accepted a position in Green Bay. She now inquires as to procedure to be reinstated in the Health Center position. Personnel suggested that since the job has been posted and interview date set Debbie should apply as any other applicant. Motion made by Wendell. Mark seconded. Motion carried.

Norbert moved to recess until Friday afternoon. Mark seconded. Motion carried.

Meeting adjourned at 5:15 P.M.

Respectfully submitted,

Howard Cannon, Committee Member
