SPECIAL CONTINUATION MEETING

February 9, 1982

approved as corrected

Meeting was called to order at 8:15 P.M.

Roll Call was taken, those present: Norbert Hill, Wendell McLester, Howard Cannon, Frank Cornelius, Tony Benson. Excused: Gary Metoxen, Mark Powless, Joy Ninham.

Amelia presented her abstract on Bilingual/Bicultural contracts.

In discussion the purpose and proposed functions of the program is very positive, i.e.,

- More persons employed
- Overcoming overload on teachers in some areas
- More efficient handling of more students
- Continued development of curriculum

Dissention was expressed with the tardiness of the application. (It was understood, however, that it is no fault of the departments involved.) Not enough time has been allowed for an intelligent review of material. Accounting is not able to identify Tribe's cost of program (\$18,000) Another aspect is that an assessment has not been made to determine what materials the Tribe has that can be programed into the school curriculum. There may be considerable duplication of services. That could only be detected through an assessment. Also, the whole Business Committee was not present for discussion.

Tony moved to approve the resolution for the contract. Wendell seconded. Vote was 1 for and 3 opposing. Motion failed.

Contingent on funds in 1983 Budget

Frank moved to recess at 9:00 P.M. Wendell seconded. Motion carried.

Respectfully submitted,

Howard Cannon, Acting Secretary
