MEETING WITH HEALTH BOARD

Myron Smith stated he asked Dr. Leone to come to the meeting to state what she feels are some problems and what ways these problems might be addressed.

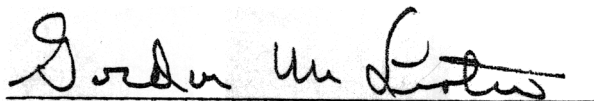

Dr. Leone stated that the loss of professional people, very good people was a problem. People in her service unit at IHS told her not to go to Oneida because of the personnel problems. But she said she came because there was only one Doctor here doing two peoples job. Dr. Leone told how long she had been here and the work duties she has been working under. Now she will be leaving on October 1, 1982. Dr. Leone felt in order to have a good recruitment process you have to have a good Personnel Office first of all. She believes that Clinics should be run by hospital or clinic administrators. Ted will have a reply on the comments of Dr. Leone on Friday, September 24, 1982. Meeting was recessed at 6:48.

Meeting reconvened with the Health Board at 7:46 P.M.

Wendell made a motion that the Business Committee review the information that was given to the Business Committee and a meeting be set on September 22, 1982, at 6:00 P.M. at the Civic Center.
