Absent: Mary Greendeer, Debbie Skenandore

There was discussion concerning the December 13, meeting at the Health Center. The Business Committee felt the discussion Monday night dealt with personnel and this was an area that should not be covered in an open meeting. The Health Board said the points that were covered were actions the Health Director has not been dealing with properly. The Health Board asked for direction on these responsibilities as a Board and that the Health Director be directed to cooperate with the Health Board. The Business Committee listened to the points the Health Board expressed and will meet with the Health Director and the Tribal Administrator, as well as Jerry Hill, who will work in the area of Policies & Procedures for the Health Board.

9:00 P.M. Lois Powless moved to recess. Mark seconded. Motion carried.

Gordon McLester, Tribal Secretary
