Discussion Concerning the Operation of the Tribal School

The School Board recommended to the Business Committee to look into the possibility of the immediate suspension of the Tribal School administrator due to the lack of responsibility in dealing with the staff, parents and the students. Upon Don White's suspension, Roberta Kinzhuma would assume the responsibilities of his position on an interim basis.

On Friday the Business Committee gave the Tribal Administrator and Personnel Manager direction to work out an agreement with Don White that he would work for the Tribe until February 4, 1983 which would be his last day, but that he would not be working with the Tribal School. Tony Utschig reported that an agreement had been reached with Don White to work out of Ron Skenandore's office on education related work.

A list of points for discussion for the memo of agreement was presented:

- A Personnel Administration
 - 1. Hiring/Firing
 - 2. Grievance Resolution
 - 3. Policy development/Revision
- B. Financial Administration
 - 1. Budget approval/Revision

2. Approval of Expenditures
3. Accounting Process
4. Fiscal Policy

C Table of Organization/Chain of Command

The Business Committee and School Board went over the above points. The School Board felt the action of getting the posting for the school administrator out and appointing Robert Kinzhuma as acting school administrator was what needed immediate action and that the points for the Memorandum of Agreement be covered at a later meeting.

Norbert made a motion to approve the appointment of Roberta Kinzhuma as acting administrator until a new administrator can be employed. Loretta seconded. Motion carried.

It was agreed that everything at the Tribal School will continue as is, until the Memorandum of Agreement is furnished and agreed upon by the Business Committee and the Tribal School Board.

11:15 A.M Recess. Norbert moved to recess Kathy seconded. Motion carried.
