ELDERLY PROGRAMS

Mary Edna Greendeer and Anna John are requesting support for the Elderly Programs. They stated there was no representation at the 83-86 Planning Hearing. They feel that if a unified effort by the whole community is not made we might lose some of our funds. They brought up different concerns with the Multi-Purpose Center.

Discussion followed on what could be done to support the programs. Anna felt that after they get the new director they should reorganize. More people should be aware of what it is all about. Other concerns such as the Commission on Aging, Green Thumb. Percy will meet with Hurley Parkhurst and Rosemary Gregor and Tony Benson. Another concern was for the elderly not having insurance or enough money saved to pay for their funeral. Tony stated that they are working on an emergency fund and this should hopefully be in place this week.

They also brought up some concerns regarding the Do-Do Club

Ernie Stevens, Jr., the Chairman of the Election Board came in at 7:30. He mentioned only one concern regarding a non-Oneida being in the voting area and was not sure how to handle the situation. But other than this the election went very well. A copy of the report is included.
