There were two main concerns pointed out that the Health Board had.

1. The first one was having a Tupperware party during the lunch hour and allowing the presenter of the party to stay longer than the lunch hour. The Board had discussed this matter with the Health Director and they are not satisfied with the way this was handled.
2. The second concern was the establishment of Policies & Procedures for the Health Expansion Fund.

After lengthy discussion on the Health Board's concerns, Lois moved that a meeting be held between Don Wilson, Barb Hawkins, Tony Benson and the Health Board to begin the Development of Policies and Procedures for the Health Expansion Fund and a working draft be presented to the Business Committee on November 28, 1986. Dave seconded. Motion carried.
