It is proposed that a task force of at least 6 people attend the meeting and take a pro-active stance and participate in the conference in whatever degree possible at the treaties give us our gaming rights among others and if they are tampered with to whatever degree the Tribe could suffer economically and that the Oneida Tribe must take a proactive stance against the WCA meeting.

RESOLUTION #1-12-90-B - Treaty Rights

WHEREAS, the Oneida Tribe maintains a policy of resolution by conciliation and negotiation of issues of governance with any other government, federal, state, or local as an act of governmental sovereignty, and

WHEREAS, issues of jurisdiction and regulation from time to time arise between governments, and

WHEREAS, the Oneida Tribe vigorously protects its Treaty Rights and the rights of all Tribes reserved pursuant to Treaties entered into with the United States and upheld by the Supreme Court, and

WHEREAS, federal legislation to limit Indian Treaty rights has been upheld by the United States Supreme Court based upon an arbitrary concept of Plenary Power, and

WHEREAS, anti-Indian forces have from time to time made a concerted effort to abrogate those governmental rights reserved to Indians by Constitutional Treaties by litigation and federal legislation, and

WHEREAS, the Wisconsin Counties Association is an organization representing all 72 county governments in Wisconsin including those effected by the Chippewa off-reservation Treaty rights, and

WHEREAS, the Wisconsin Counties Association, with whom the Oneida Tribe has worked cooperatively in the past, will participate in a meeting with their counterparts from other states and which meeting will not be open to the public, and

WHEREAS, such attempts to stampede the United States Congress into ill-advised and over general legislation which will not only confuse and separate individual issues of local concern but attempts to homogenize Indians issues. Such actions are based upon a spirit of meanness and devoid of serious responsibility. The Oneida Tribe deplores and will fight these actions.

NOW THEREFORE BE IT RESOLVED: that the Oneida Tribe in protecting its sovereign governmental rights reserved by Treaty with the United States, Treaty of Oneida of 1838 (7 Stat., 566) will confront any and all attempts to abrogate our Treaty by federal legislation, including the Salt Lake City meeting on January 18, 19, and 20, 1990.
