SPECIAL INFORMATIONAL MEETING

WEDNESDAY, JANUARY 24, 1990

Present: Purcell Powless-Chairman, Kathy Hughes-Treasurer, Amelia Cornelius-Secretary, Larry Barton, David King-Council Members

Others: Attorney Hill, Bobbi Webster

Discussion on request through Bill Broyderick that Secretary Klauser wants to shift the media attention from the spearfishing issue to other areas. He has hinted at a meeting with Oneidas, Menominees, and Winnebagos to focus a meeting on economic development and/or gaming issues.

Discussion on gaming compacts. Still waiting for an opinion from Hanaway on the Lottery. Some Tribes are in violation of Title 18, which is federal legislation outlawing the use of certain types of gaming on Indian Reservations.

It was suggested that if a meeting is held with Klauser that fishing, hunting, or gaming not be on the agenda. It was suggested that Klauser meet with GLITC on January 30 or 31, 1990 at the Madison meeting and give his presentation to all the Tribes.

Discussion on the proposed conference being suggested by Klauser on positive problem solving issues with Indian Tribes and local governments. It was suggested that the conference be bi-partisan in nature and that Klauser or his aide give a presentation to GLITC. Amelia Cornelius will be attending a meeting on Friday with Rita Keshena to provide input and monitor the development of the agenda.
