Review of Atty. Cornelius opinion of Dec. 18 in regard to the Business Committee selecting a committee to hear a "special" appeal.

Discussion on opinion. Discussion on recommendation of Mark A. Powless and the Commission. It was decided not to make a decision at this time, but to form a task force to review the action and they form a decision.

It was recommended that Rosa and the Personnel Selection Committee develop a plan of communication.

Discussion on the posting and hiring of the EEO position.

This is a directive of the GTC and the position is funded in the FY 91 budget and the position has been reviewed and approved by both the commission and Business Committee.

Discussion on the training of the commission members for EEO, interviewing techniques and grievance hearings. An attempt to use local personnel for the training should be a priority.

The Administrative Act and Appeals Commission are on the Jan. 17 GTC agenda for approval and nomination of candidates for the Appeals Commission.

Anna John had questions in regard to the Nursing Home. The Chairman directed Loretta Metoxen to write a memo to the AJNH Commission explaining the internal audit.
