Activities Summary

CDPC Meeting Dates

April 7, 2016 - Canceled

May 5, 2016

June 2, 2016 - Canceled

Economic Development

At the May CDPC meeting Troy Parr presented an interactive "virtual world" to explore the Oneida Reservation and to conceptualize potential opportunity for Economic, Natural Resource and Community Development. This CDPC session shared the long-term vision for how the Oneida Reservation can be developed – *some possibilities of which will be achievable and some which may never be achieved*; however, it set the vision for us to continue to work toward the preferred future. The virtual world was

based upon years of work by many Tribal Departments and Commissions and represents the Oneida Tribal Community's vision of how they would like to see the Reservation developed.

Indian Community Development Block Grant

Economic Development, Housing Authority, and Grants Departments will be working together to establish a new process for identifying projects for community development block grants for 2017. They are starting now to be prepared for June 2017.

OHA Acquisition Strategy

With the Business Committee's passage of the Neighborhood Development plan, the CDPC has appointed Housing Authority and Land Management to focus on issues related to taxation and Housing Authority's acquisition strategy.
