## **SUMMARY OF ACTIVITIES**

■ The ERB holds ***citation hearings*** every month as needed to assist in enforcing health and safety measures for the Oneida community. A hearing was held on 2/19/15

■ Submission of changes to ***Hunting, Fishing, and Trapping Law*** to streamline law and separate policy making and management decisions from the law to avoid bi-yearly updates to law. The LOC is currently reviewing the law and had an update on 3/18/15

■ The ***Safe Routes to School path*** will be completed this summer to link the new Green Valley Housing subdivision to Site 1 and the Oneida Schools. Walking and biking trail systems are an important part of supporting overall wellness and quality of life in Oneida.

■ Additional signage is being posted to properties for Land Access Designations and other Usage Rules for the Public Use of Tribal Lands law. ***Access to Parks, Trails, and Natural Areas*** in Oneida are designated under this law. The goal is to invite a broad community to Oneida lands while reserving special areas only for the Oneida tribal member community.

■ ***New Grant activities*** include assisting in the development of U.S. Department of Energy and ArtPlace America grant applications.

■ Other interdepartmental team activities include ***Onyota'a:ka Lake planning***, Community Development Planning Committee, Website Steering Team, Updated Natural Areas and Trails guide, and the Sustainable Resource Advisory Council.
