UPDATES

The Oneida Nation School System has received official notice of achieving Adequate Yearly Progress (AYP) for the fifth consecutive year. Please see attached.

We congratulate Judge Denice Beans on her election to the tribal judiciary, Fawn Billie on her election to the Business Committee and Brian Doxtator on his new position in the Treasurer's Office. These now former school employees will be greatly missed.

The Oneida Nation School System has applied for and was accepted for the Community Eligibility Program, which provides free breakfast and lunch for all students attending the Oneida Nation School System on a reimbursement basis through the Wisconsin Department of Public Instruction Food and Nutrition Services Program. This program requires a 4 year commitment.

Per budgetary directives, we will be working on reducing tribal contribution within the school system budget for FY 2015.

GOALS AND OBJECTIVES

Our students continue to increase their knowledge of Oneida language and culture, as they attend language/culture and social dance classes as part of their daily education. Improving daily attendance and raising the reading and mathematics academic levels continue to be the overall goals for this school year.

The third year of a three year reading grant will continue with a focus on 6th through 12th grades. The technical assistance staff, Ms. Laura Lowe has emailed an action plan for review of staff and these requirements will be put into place for the 2014-15 school year.

MEETING REQUIREMENTS

The Oneida Nation School Board meets the first Monday of every month at 5:00 p.m. in the library at the Elementary School, and is open to the public. Special meetings are called by the School Board Chair when deemed necessary.

AYP: YES
STATUS: AYP

Dear School Administrator and Tribal Leader:

This letter is to inform you of the Bureau of Indian Education's (BIE) proposed Adequate Yearly Progress (AYP) determination for your school, which is based on the documentation your school submitted for School Year (SY) 2012-2013. The SY 2013-2014 status of your school is provided within this letter. All AYP determinations are based on the AYP criteria of the state in which the school is located.

Oneida Tribal School **did make AYP** for SY 2012-2013. The status of your school is **AYP** for SY 2013-2014.

If you or a majority of the parents of the students enrolled in your school believe the proposed determination is in error for statistical or other substantive reasons, you may provide supporting evidence to the BIE. We shall consider that evidence before making a final determination. If we do not receive a request from you to review and consider additional data within 30 days of receipt of this letter, we will consider the determination and the status to be final. Please sign and return a copy of the accompanying AYP calculation page to the following address:

Bureau of Indian Education
1011 Indian School Rd NW, Suite 332
Albuquerque, New Mexico 87104

As a reminder, beginning with SY 2005-2006, AYP determinations for all BIE-funded schools are calculated using the definition outlined in 25 CFR § 30.104(a), which requires that schools use the academic content and student achievement standards, assessments and the definition of AYP of the state where the school is located.

If you have any questions, please contact Brian Bough, Supervisory Education Research Analyst, at (505) 563-5283.

Sincerely,

Dr. Charles M. Roessel
Director, Bureau of Indian Education
