### Woody Sings for His Supper

Honoring our Elders is a wonderful way to show we appreciate one another. That's what a few people did to bring together a recognition event honoring musician Woody Webster.

Webster was honored at the Oneida Senior Center on January 12, 2000 for his unselfish dedication to entertaining the Oneida Elder Community for several years.

A video of his biography, a prayer, a meal and guest speakers were all on the afternoon's agenda.

Guest speaker Russ Hanseter, a State Commander of the American Legion Post spoke in high regards of Woody and his musical talents. He said, "Woody played at my induction and wouldn't even take a thing for it."

A biographic video of Webster was shown after a meal in his honor. Interviewed by Joy Ninham, it portrayed his musically inclined life, from days entertaining in Wisconsin Dells to the nights of performing in the Walkathon's (dance marathons) in the 1930's. He also talked about his mother's influence on his musical talents.

Webster, a very passive and quiet individual, evened performed at his own recognition event, playing keyboards and singing the very popular tune, "Indian Love Call", a song he is notorious for.

Webster, 87, at one time played up to 9 musical instruments in high school. Whenever Woody's high school music teacher needed another musical sound, Woody was usually asked if he could contribute.

Woody currently entertains residents at the Anna John Nursing Home on Saturdays, presents for the Oneida DoDo Club and performs at monthly birthday meals at the Senior Center.

# NEW YEAR'S EVE A GRAND OCCASION

by Leigh Campshure

It was a grand New Year's celebration at the Oneida Elderly Services Complex on Dec. 29, 1999 as members and staff of the Special Activities Club were entertained by Don Charnon who presented two soliloquies, "Blue Max" and a "Narrative from Penny Cooper's Diary." He also gave a special reading with Sandy Dennett entitled, "Ice Man."

Festivities continued with hats, balloons, refreshments, symphony orchestration and singing accompanied by Jeannine La Fave on the organ.

The group adjourned after a Snake Dance, led by Sandy Dennett, to wish everyone a "Happy Year 2000" and a "Thank you for the successes of the Special Activities Club in 1999."

# Post-Holiday Blues

The excitement of the holidays is upon us, but once they are over consumers may face some huge bills. Many personal loan offers will start to show up in your mailbox, by phone or even on the Internet, according to Attorney General Jim Doyle.

Personal loan offers may be as simple as signing a form and sending it back to the issuing company. Perhaps, your credit card company will send some personalized checks that seem to have few boundaries on their use. These instant loans might be a quick way to handle the big holiday shopping bills, but you better check the fine print first.

Many of these loans have very high interest rates and fees. Compare rates for loans with local financial unsteadiness before you make any final decision. What was a large holiday bill could easily become huge financial obligation that you could still be paying off well past next Christmas.

Some credit card companies offer “free” month to skip a monthly payment so you can ease the tension of holiday bills. What may seem like a nice gesture could cost you even more money. The interest charges often continue to accumulate, so take the time to read the fine print in any offer.

Also think about the hidden consequences of taking an additional personal loan. You will suddenly show up on multiple mailing lists, increasing the amount of offers mailed to you. The telephone solicitations will also increase.

Avoid some of these problems by budgeting your holiday purchases and sticking to a plan. Also check with your local financial institution to see what services they can offer at reasonable rates.

This information is brought to you by the Attorney General’s Office.

# **Elderly Request for Service**

## *Procedure*

Clarification of emergency and non-emergency request for service and the procedure for the Elderly Services/Senior Center and payment of bills. If you need a service which is usually handled by another area, such as Plumbing, Utilities, Department of Public Works, etc. or any service area/vendor outside the Tribe, call the Senior Center at (920) 869-2448.

Upon receiving your request, an Initial Contact Form will be generated and routed to the proper vendor for service.

The policy is to serve seniors 70 and older, disabled or handicapped. Our priority for serving this age group would be an immediate emergency, economic or health and safety issue.

Every effort will be made to meet the needs of the Elders in the 55/69 age group. **As of this notice, unless the Elderly Services/Senior Center makes the referral to a vendor, this department will not be responsible for the charges incurred by you. You will be responsible for the full cost of these charges.**

This procedure is only applicable as funds are available. As always, thank you for your attention to this matter.

If you have any questions, please do not hesitate to call (920) 869-2448. **Office hours are Monday thru Friday 8:00 a.m. to 4:30 p.m.**

We provide 24-hour answering services that effectively relay messages to the appropriate staff after our regular work hours and on weekends.

# **SNOWED IN?**

## **NOT FOR LONG**

When a heavy amount of snowfall occurs (1.5 inches or more), Oneida Elderly Services Staff will be there to help you. According to our Snow Removal/Plowing Policy that was approved by the Oneida Business Committee:

**The priority for snow plowing is as follows:**

**Elders 70 and older and on Lifeline will be plowed first.**

**Elders 70 and older will be plowed second.**

**Elders 55 to 69 WHO are disabled will be plowed third.**

The Elderly Services Program does not provide snow removal for elders 55 to 69 and employed.

IF WE ARE NOT AT YOUR DOOR PLOWING RIGHT AWAY, PLEASE REMAIN PATIENT, staff will get to your home as soon as possible. There are times when road conditions are hazardous and unsafe for even Elderly Services Staff to travel and they have to exercise caution as well.

If you would like to add your name to the snow removal list please call Oneida Elderly Services Program at 869-2448. If you have questions about the snow removal policy please call Connie Danforth, Oneida Elderly Services Program at 869-2448, Extension 4953.
