Directors Corner

Sagoli Oneida Elders

As we come to the close of another year, I would like to express my wishes to all of you to have a wonderful holiday season and a Happy New Year. "HOYAN"

This year has passed so quickly, with exciting things happening every day. Our Library is now fully staffed. You can come in and check out books, tapes and videos. Marie Scott will gladly help you. Our store has plenty of popcorn. Christmas gifts & crafts. Make good Christmas gifts, and made by our own talented elders. Our storekeeper is Barbara Skenandore.

Oneida Area Faith In Action is operating successfully. We are always looking for volunteers and board members. If you need some help with anything, call us at 869-2448. Deb Ninham will match you up with a volunteer. If you just need someone to talk to, we can do that to. Our voices were heard in Madison November 11 & 12th. A few staff got to attend a reception at Gov. Doyle's residence. Of the Faith In Actions in operation in Wisconsin, we are the only Tribe to have one in operation.

We have a newly developed Nutrition Advisory Board. They are mainly advisory to the meal sites.

Staff have been attending trainings, in areas of Family Caregiving, Alzheimer's, Dementia, Information and Referral for services we cannot provide. Updates to program improvements are obtained from the Administration on Aging and Bay Area Agency on Aging, as I attend Aging Unit Director trainings.

Keep in mind, we have computers here for elders use only. You can come in anytime Monday through Friday 8-4:30. They all have internet access. If you need help, someone is always here to help. Our website for Elderly Services is in the development and should be completed soon.

The crews are sharpening their blades and preparing for the snow which is upon us. I am totally proud to have such hardworking supportive staff who are knowledgeable and trained to provide the level of service to meet your needs.

In closing, I would like to thank the ONCOA Board for their support and leadership in advocating for our elders and the program, the Faith In Action Board for their persistence in maintaining Oneida Area Faith in Action, and the Nutrition Advisory Board for getting this off to a good start. I also like to thank you all for allowing us to serve you and giving us the opportunity to meet your needs.

We'd like to send get well wishes to our Elder Helper Grover Smith. We miss you.

Merry Christmas from all the staff for a warm and Happy New Year.

UP CLOSE AND PERSONAL

With Debra Ninham

Respite Worker

Debra Ninham was brought up in Oneida. Her parents are the late Nelson & Rebecca Ninham and grandparents are the late Oscar & Esther Archiquette.

Debra has thirteen children in her family, consisting of four sisters and eight brothers. She has five beautiful grandchildren. Debra graduated from West De Pere High School in 1967.

Debra is family oriented, loves to be doing things with family and the grandchildren. She loves to fish with her sons when she can and she enjoys watching them play sports.

Debra is in a music ministry Du Pray Ministries, who her brother Cletus & Marion Ninham both are ordained pastors. She supports her pastor and friend Walter Reed in her church services. She loves praying for people and always prays and asks God to shine his light upon her to be a good witness for his kingdom. Her favorite scripture is, don't let someone tell you can't do something. Because in Gods word he said PH 14:13 you can do all things thru Christ who suffered for you.

Debra is so happy & overwhelmed to be a part of the team here at the Elderly Services . It's like not even a job, it is very rewarding . She loves it and the elders.

When you were a child, what did you think you'd like to be when you grew up?
Airline hostess (Stewardess)

Who or what has had the biggest influence in your life? My mother who was a big encouragement & role model to me and Joy Ninham.

What do you consider to be your greatest accomplishment? Had the honor, privilege & opportunity to work for elderly services for 41/2 years. Met a lot of wonderful elders whom it was an honor for me to assist & get to know personally.

Is there something you've always wished you were great at doing? Being a better public speaker.

What is the best advice anyone ever gave you? I can do all things thru Christ who strengthens me.

What advice would you give someone who is about to retire? Take one day at a time, eat healthy, exercise & enjoy rest of your time doing what ever you like to do.

What is your ideal vacation? Just being able to relax at home.

Favorite Meal: Chinese

Favorite Music: Contemporary, gospel, & oldies but goodies

Favorite Books: The Bible- Gods word

Favorite Movies: Golden Girls and any comedies

Favorite Hobbies: Decorate, sing ,music, reading, & fishing

Sound Advice To Protect Against Hearing Loss

Are you bombarded by noise every day? Sounds from tele-vision, lawnmowers, and sirens can invade your peace and quiet. Worse, they can damage your hearing.

Noise induced hearing loss can be temporary or permanent. Hearing lost can happen immediately after an intense brief noise, such as a explosion. Or it can occur slowly over years of continuous exposure to loud noise, such as a factory worker exposed to daily sounds of machinery. The loudness of sounds is measured in decibels (dB). At higher decibled levels, it takes less time for loss of hearing to occur. The following highlights everyday noises and their impact on hearing loss.

Daily exposure to noises at 85 db can cause gradual hearing loss:

Television	70 to 90 db
Lawnmower & Foodblender	85 to 90 db

Limit exposure to less than 15 minutes for sounds from 90 to 100 db:

Farm tractor	98 db
Garbage Truck	100

Unprotected exposure to noise higher than 100 db for more than one minute can result to permanent hearing loss:

Snowmobiles	105 db
Jackhammer	110 db
Power Saw	110 db

Inner ear pain and damage can occur with sounds 125 db and above:

Rock Concert	110-140d
Jet Take Off	130 db
Shotgun Firing	130 db

If you are exposed to loud noises or continuous noise at potentially harmful levels, you should protect your hearing.

Check with your doctor to determine which type of protection is better for the type of noise exposure you experience.

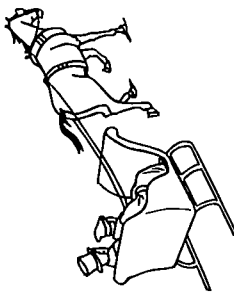

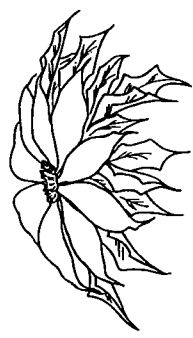

Earmuffs and earplugs - which are available at drugstores and hardware stores- can cut noise volume by 20-40 db. Cotton balls and tissue only by 7 db.

Outagamie County Residents Complete Wisconsin Senior Statesmanship Graduate Program

(Madison)-“When citizens participate in their state government, we build a stronger society,” says Ken Mosentine, President of the Coalition of Wisconsin Aging Groups. “And learning about state government is the first step to getting involved.” Getting involved was the goal of a group 22 seniors, including Dellora Cornelius and Cliff Doxtator from Outagamie County, who completed the Wisconsin Senior Statesmanship Graduate Program held September 22-23, in Madison.

Each year since 1980, older adults from all over the state come to take part in this unique program, sponsored and operated by the Coalition of Wisconsin Aging Group (CWAG), that educates older people on the legislative process at the state level of government. Its purpose is to give older people a g understanding of the role that they can play in developing public policy through advocacy.

The Senior Statesmanship Program has two levels. The introductory or undergraduate program gives a broad background on the operations of state government. Participants meet with their legislators, sit in on legislative floor sessions and hearings, visit state agencies and the Supreme Court and hear from experts on the most current state legislative concerns. The graduate program takes the knowledge one step further by focussing on a current state issue and teachings

participants how to better communicate concerns studied prescription drug issues and long term care at the state and federal level. Those who complete the program go home with a wealth of knowledge and a good understanding about the role that they can play i the political process.

“ We keep in touch with many of the participants and know that their commitment to learning about and working to change public policy doesn’t stop once they complete the program, “ Mosentine said, “In fact, that’s when the real advocacy begins as they take what they’ve learned and apply back in their own communities.

The Coalition of Wisconsin Aging Groups (CWAG), a grassroots membership organization directed by older people, pursues justice and quality of life for people of all ages through legal and legislative advocacy, education and leadership development. CWAG is a statewide federation of more than 600 member organizations that represent and serve Wisconsin’s older citizens. A non- profit , non - partisan group, CWAG provides information on matters of concern to the elderly and represents the older citizens member groups located throughout Wisconsin.

Note: The other Oneida Commission on Aging members that attended were Lois Strong and Arlie Doxtator.
