A Note From Elder Services Reception

Shekoli!

Oneida Elder Services currently serves 1,000+ elders and receives, on average, about 45 calls per day during regular business hours. During high call times, such as right after a snow storm or during a power outage, we easily receive twice as many phone calls. In order to better serve all of our elders, we ask that you keep a few things in mind when you call:

- ❖ If the call is to request a service, we ask that you request our Service Specialist **Teresa Barber-Buch**. Service requests may include things like minor home repair, snow removal, in-home chores, and so forth.
- ❖ If the call is to request an item from our loan closet such as a walker, a cane, etc. you may also request our Service Specialist, **Teresa Barber-Buch**.
- ❖ If the call is for a concern, we may refer you to our Assistant Director **Tina Pospychala**.
- ❖ If you know the staff person you need to speak with, please say their name.
- ❖ If you're still not sure who you should call, we will help direct you to the correct person.

As always, we appreciate your patience and cooperation, and we'll continue to do our best to serve our elders with respect and to the best of our ability.

Unacceptable Behavior Reminder

Elder Services is committed to providing a high standard of service for all customers fairly and impartially. As part of our service we do not normally limit the contact customers have with us. However, we do not expect our staff to tolerate customer behavior which is clearly unacceptable (e.g. abusive, offensive or threatening) and will take action to protect our staff from such behavior.

DEFINITIONS:

- Unacceptable behavior: abusive, offensive or threatening
- Verbal abuse: Verbal abuse includes bullying, slander, harassing, interrogating, accusing, blaming, insulting, lying, severely scolding, taunting, putting down, threatening, name-calling, swearing, yelling and raging over the phone and hanging up on staff.
- Unacceptable behavior has many forms including physical aggression: hitting, kicking, biting, shoving, restraining, throwing objects, or threats also sexual abuse; emotional abuse; controlling or domineering; intimidation; stalking.

PROCEDURE:

- When we consider a customer's behavior is unacceptable we will tell them why the behavior is unacceptable and will ask them to correct the behavior. If the unacceptable behavior continues, action will be taken.
- First Instance: Verbal warning, staff reports to supervisor; supervisor gives verbal warning and documents the incident.
- Second Instance: A written letter will be initiated by the supervisor of the decision to sign an agreement or restrict access to Elder Services and/ or contact with staff. The decision to restrict access or contact to Elder Services will be taken at the Director level.
- When a customer continues to behave in a way which is unacceptable, Elder Services may decide to terminate contact with that customer.
- When the behavior is so extreme that it threatens the immediate safety and welfare of the program's staff, Elder Services will consider other options, for example reporting the matter to the police or taking legal action. In such cases, Elder Services may not give the customer prior warning of that action.
