## Why Did the Chicken Cross the Road?

Militant Indian: That chicken should block the road, not cross the road!!

Democratic Indian: The chicken crossed the road because he didn't have enough funding.

Traditional Indian: Those chiggens weren't traditional because they were supposed to be on it – not crossing it!

Urban Indian: That chicken crossed the road 'cause it was a city, man

New Age Indian: It was basically because of Jungian dream therapy, drumming, sweat lodges, my shaman, and long walks on the beach, near my beach house.

Pow Wow Indian: That chicken must have been heading to a 49!

Enthusiasm is excitement with inspiration, motivation and  
a pinch of creativity

## Elder Services In-Home Services Customer's

The baby boomer population is now reaching an age where a greater number of elder's are in need of assistive services and staff's assigned customer numbers have increased.

We are asking that customer's who may be planning vacations, or for other reasons will not be available for the time allotted them to notify your worker's supervisor. If you know of an appointment or anything of that sort in time to contact the supervisor please do so. This will leave tat worker available to help another elder should there be a nice.

Thank you in advance.

If you have any questions please contact: Joyce Johnson, 920-869-2448

## All Participants at the Senior Center Meal Site

Polices and procedures specific to the Older Americans Act-Funded Nutrition program. We are looking to manage costs and quality improvement in our meal site program. Effective October 1, 2008, the meal site is maintaining a reservation system for all participants who eat at the meal site. All participants that plan on eating at the meal site will be asked to call in the day before and reserve their meal for the next day, or for the week. You may also reserve your meal for the next day, week or month by telling the meal check in person.

For questions please call Loretta Mencheski at 920-869-1551

# ONEIDA ELDER SERVICES

## Unacceptable Behavior by a Customer

Standard Operating Procedures <<>> Approved January 2011

1. PURPOSE: Elder Services is committed to providing a high standard of service for all customers fairly and impartially. As part of our service we do not normally limit the contact customers have with us. However we do not expect our staff to tolerate behavior by the customer which is clearly unacceptable (e.g. abusive, offensive or threatening) and will take action to protect our staff from that type of behavior.

### 2. DEFINITIONS:

- 2.1.1 Unacceptable behavior: abusive, offensive or threatening
- 2.1.2 Verbal abuse: Verbal abuse includes bullying, slander, harassing, interrogating, accusing, blaming, insulting, lying, severely scolding, taunting, putting down, threatening, name-calling, swearing, yelling and raging over the phone and hanging up on staff.
- 2.1.3 Unacceptable behavior has many forms including physical aggression: hitting, kicking, biting, shoving, restraining, throwing objects, or threats also sexual abuse; emotional abuse; controlling or domineering; intimidation; stalking.

### 3. WORK STANDARDS

- 3.1 No individual may engage in inappropriate conduct on, at or in the facilities of Elder Services. Elder Services established this behavior policy to promote the safety and comfort of the clients and to protect Elder Services facilities and employees to assure a safe, welcoming environment.
- 3.2 Elder Services reserves the right to deny services and entry onto the Nation's property to anyone who is physically and/or verbally abusive, disruptive of tribal services and government operations
- 3.3 . Elder Services reserves the right to deny entry onto Tribal properties or access to services to anyone who may be under the influence of alcohol, controlled substances and/or illegal drugs

#### 4. PROCEDURE:

- 4.1 When we consider a customer's behavior is unacceptable we will tell them why the behavior is unacceptable and will ask them to correct the behavior. If the unacceptable behavior continues, action will be taken.
  - 4.1.1 First Instance: Verbal warning, staff reports to supervisor; supervisor gives verbal warning and documents the incident.
  - 4.1.2 Second Instance; A written letter will be initiated by the supervisor of the decision to sign an agreement or restrict access to Elder Services and/ or contact with staff.(See Attached Form)
  - 4.1.3 The decision to (restrict access or contact) to Elder Services will be taken at the Director level. Any restrictions imposed will be appropriate and fair. The options we are most likely to consider are:
    - 4.1.3.1 Requesting contact in a particular form (for example letters only)
    - 4.1.3.2 Requiring contact to take place with a named police officer
    - 4.1.3.3 Asking the customer to enter into an agreement about their conduct
- 4.2 The customer will receive a written letter which will state why their behavior is unacceptable and what action Elder Services is taking and the duration of that action.
- 4.3 When a customer continues to behave in a way which is unacceptable, Elder Services may decide to terminate contact with that customer.
- 4.4 When the behavior is so extreme that it threatens the immediate safety and welfare of the program's staff, Elder Services will consider other options, for example reporting the matter to the police or taking legal action. In such cases, Elder Services may not give the customer prior warning of that action.
