Father's Day

I know your strength!

I feel your power!

Protected is what I feel!

I can talk to you about anything!

I love the sparkle in your eyes!

Shining as bright as the stars in the night as I look to the heavens!

I recognize the value of your love!

To my Father!

I love you with every beat of my heart!

Making the Ice Cream by Zola M. Hall

How many of you remember...the hand turned bucket of old...which made that tasty concoction...ice cream, so buttery-gold?

We chopped ice with pickaxe and hatchet...till the gunny sack no more would hold...our small hands turned blue, almost frozen... those ice chunks were bitterly cold...

Between layers of ice in the freezer...we put rock salt generously...then tamping the ice down closely...temperatures fell fast, by degrees.

After turning the handle an hour...with ice water trickling out...the dasher held many a sample..."come and get it!" we called with a shout.

"You've achieved success in your field when you don't know whether what you're doing is work or play."

Children's Logic: "Give me a sentence about a public servant," said a teacher. The small boy wrote: "The fireman came down the ladder pregnant. "The teacher took the aside to correct him. Elder Services Reception and Phone services

Please give a warm welcome to one of our new employee Laneva Hill (well known as Kayo by family and friends). Kayo started the beginning of April and has a very nice smile to greet you each time you have a request for Elder Services. Kayo is a participant of a program called Senior Community Service Employment Program (SCSEP) which is paid for by the National Indian Council on Aging (NICOA) located in Albuquerque, New Mexico. Please take a minute to thank her for her service to all of us.

Reception phones are covered Monday through Friday from 8:00am through 4:30pm.

Exceptions to this coverage are as follows:

- Holidays
- Inclement weather closings
- Once a month Administrative All Staff meeting. The staff meetings are held the first Tuesday of each month and last from 8am until about 9am.

During these times An-Ser Services take calls. An-Ser Service is instructed to call the on-call supervisor for any emergencies and or the meal site if call is during the Administrative All Staff Meeting. This makes Elder Services available 24 hours a day, 7 days a week.

Reception is requested to record all calls with the following information: Time of call, Caller name & Phone number, Reason for the call. Logs are locked up each night and information is kept secure and confidential. Here is a sample of the form the Receptionist completes daily:

Time		Caller Name			
PHONE #	REASON FOR CALL	EMPLOYEE CONTACTED	MSG TAKEN	SENT TO VM	
			YES NO	YES	NO

We appreciate your patience, understanding and observance with this request for information. The reason this information is collected is at least three fold.

- Staffing Reception desk – we keep track of our high and low volume times. Our Administrative Assistant has a desk directly behind the Receptionist and takes calls as the back up to the Receptionist.
- Keep track of vital business phone calls and contacts. Staff relies on our phone log and sign in/out sheets to assist in tracking client contacts.
- Staff might say “I was waiting for a phone call would you please check the call and see if they have called”. If we have names and phones numbers listed this can be an easy task.
- Staff might say “I know I had a call from someone about a certain topic, would you please check the log and see if you find anything”. If we have the “reason for call” marked we can easily search and find the information needed.
- Finally, we keep the log for possible misuse of our phones. At times we get marketing calls or other nuisance calls and if we get them very often we would do an official report.
