Greater Wisconsin  
Agency on Aging Resources, Inc.

## GWAAR Advisory Council

The Greater Wisconsin Agency on Aging Resources, Inc. (GWAAR), a 501(c)(3) non-profit organization, is the area agency on aging that provides federal and state funding, technical assistance, program monitoring, and advocacy for the 70 county and 11 tribal aging services providers across Wisconsin (not including Dane and Milwaukee Counties). If you are looking for a challenging volunteer opportunity where your skills may make a difference in program planning, development, and implementation—we encourage you to apply.

The potential Advisory Council candidate must be able to devote time and energy toward accomplishing goals that may include: monitoring and evaluating the agency's required plan objectives; advocating on behalf of pertinent policy, including legislation that may support older adults in living independently; and addressing priority issues identified by GWAAR's Board of Directors.

In accordance with the Older Americans Act, at least 51% of our advisory council is required to be age 60 or older. As a socially responsible organization, we strive for diversity among members of our staff, board, and advisory. Diversity contributes to members having a better understanding of the varying needs of older persons. Our board welcomes letters from applicants who have a special interest in the needs of older Native-American, LGBT, and other minority populations. We are also committed to having geographic representation on the Advisory Council.

Any application should include a current resume, two references from employment and/or volunteer experience, and a type-written response to the following three questions. Response to each question should be limited to 100 words. Please forward your application by mail (see below).

1. What experience and skills will you bring to this organization?
2. Please describe how service to the Advisory Council will complement your current commitments and obligations.
3. What motivates you to make this application?

**All materials must be submitted by mail, fax, or email to: Advisory Council Selection Committee; Greater Wisconsin Agency on Aging Resources; 1414 MacArthur Road, Suite A; Madison, WI 53714. Fax: 866-813-0974 Email: [info@gwaar.org](mailto:info@gwaar.org).**

**Questions may be directed to: Robert Kellerman by emailing him at: [bob.kellerman@gwaar.org](mailto:bob.kellerman@gwaar.org). If emailing, please place *Advisory Selection* in the subject line of the message.**

## Advisory Council Job Description and Purpose Statement

The purpose of the Area Agency on Aging's Advisory Council is to serve in the capacity of advising the Greater Wisconsin Agency on Aging Resources' Board of Directors on priority issues including overseeing the Area Plan and monitoring its progress and its effectiveness. In addition to this role, the Advisory Council is actively engaged in the GWAAR Advocacy Team. The Council accomplishes this by:

- ▲ Maintaining the integrity of the aging services network.
- ▲ Consulting with GWAAR board, staff, state, and local resources on aging issues.
- ▲ Advocating for process improvement to assure best practice programming.

## Commitment

Advisory Council members should be able to:

- Share in the mission of GWAAR.
- Demonstrate leadership advancing the agency's mission in a non-partisan, unbiased fashion.
- Be willing and available to advocate on behalf of aging policies and legislation.
- Serve at least one, three-year term.
- Attend, at a minimum, four council meetings per year (necessary expenses paid by GWAAR).
- Have ready access to a computer and be able to communicate via email and phone.

- Ability to engage in "big-picture" thinking
- Non-profit and/or non-partisan involvement either professionally or through volunteerism
- Prior experience in plan review, monitoring, and evaluation

## MAINTENANCE CORNER

Justine Hill, Maintenance Supervisor

### Grass Cutting Services

This year we are going to open up the services for grass cutting. Instead of going off of last year's list, I will take requests, granted you have an updated Annual Assessment and meet the criteria to receive this service. Keep in mind that our priority is 70 + years of age. Starting on **March 1**, I will take names for the grass cutting list. There is limited space and this will be on a first-come, first-serve basis. The maximum amount we cut is 780 square feet around the house.

### Freezing Pipes

StateFarm.com

Pipes freeze for a combination of three reasons: quick drops in temperature, poor insulation, and thermostats set too low. There are a number of preventative steps you can take to keep your pipes from freezing.

#### Before The Cold

- Insulate pipes in your home's crawl spaces and attic. Exposed pipes are most susceptible to freezing. Remember: The more insulation you use, the better protected your pipes will be.
- Seal leaks that allow cold air inside near where pipes are located. Look for air leaks around electrical wiring, dryer vents, and pipes, and use caulk or insulation to keep the cold out. With severe cold, even a tiny opening can let in enough cold air to cause a pipe to freeze.

#### If Your Pipes Do Freeze

Don't panic. Just because they're frozen doesn't mean they've already burst.

- If you turn on your faucets and nothing comes out, leave the faucets turned on and call Elder Services to place a work order at 869-2448 and ask for Cheryl.
- Do not use electrical appliances in areas of standing water. You could be electrocuted.
- Never try to thaw a pipe with a torch or other open flame because it could cause a fire hazard.
- You may be able to thaw a frozen pipe with the warm air from a hair dryer. Start by warming the pipe as close to the faucet as possible, working toward the coldest section of pipe.
- If your water pipes have already burst, turn off the water at the main shutoff valve in the house; leave the water faucets turned on. Make sure everyone in your family knows where the water shutoff valve is and how to open and close it.

## Renewal – [by wordwizard.com](http://wordwizard.com)

This is a time of renewal as it happens every spring.
