S&L Motors
Chrysler Dodge Jeep

2298 State Hwy. 32
Pulaski, WI 54162

Any Oneida tribal member or employee, 18 years of age or older, shall be able to purchase New Chrysler, Dodge and Jeep vehicles at the S&L partnership pricing level. The includes most Chrysler, Dodge and Jeep products. Excludes vehicles with limited availability.

At the S&L partnership pricing level, the employee essentially pays dealer invoice price plus $100.00 less any eligible incentives. Additionally, the S&L Motors business manager has special financing arrangements with numerous local banks to secure attractive finance rates and terms. The S&L business manager offers extended new and used vehicle warranties for those interested in long-term ownership.

In order to purchase a new vehicle at this special pricing, each tribal member or employee must agree to the following:

Provide identification to an S&L Motors salesperson immediately upon arrival at the dealership. Identification may include tribal membership card, pay stub, or other identification showing tribal membership or employment.

If the tribal member or employee has a trade-in vehicle, the tribal member or employee will receive the actual cash value (ACV) or wholesale price for the trade-in. This amount will be subtracted from the S&L partnership price to determine the trade difference amount.

All tribal members must take delivery on and reside on reservation property as per state sales tax regulations in order to be exempt from Wisconsin sales tax. All tribal deliveries at the dealership (except deliveries on the reservation) will be subject to Wisconsin sales tax.

Each tribal member or employee will be limited to the purchase of two (2) new vehicles per calendar year. Oneida Tribal vehicles purchased for tribal use are exempt from this requirement.

Tribal business vehicles for tribal use may also qualify for commercial or fleet discounts.

This proposal will be reviewed annually and will continue at S&L Motors discretion. Please direct any questions concerning the discount pricing to S&L Motors by calling 920-865-8000. S&L Motors is located at 2298 State Highway 32 in Pulaski.
