8. MUTUAL AID	This 1/4	Last 1/4

All the sworn staff is deputized in Brown County – if a request is made for our Officers to respond off the Reservation, we are able to do so within Brown County. We are able to request Mutual Aid from other jurisdictions outside the reservation in time of need.

In Outagamie County, the Officers are deputized within the reservation boundaries – the Officers are not able to respond outside of the boundaries of the reservation. We are only able to request assistance from Outagamie County and if additional assistance is required, the Outagamie

County Sheriffs Department would have to make the request.

Since about 1985, Outagamie County Sheriff's Department has processed our citations – both Traffic and Ordinance Violations and sent them onto the courts. We have been notified that effective April 1, 2017, they will no longer be doing this for us, or for Freedom Police, as they have in the past. Freedom Police is similar to Oneida Police in that all their citations are adjudicated in County Circuit Court. We have someone trained to handle this part of the court process. It will add some responsibilities to our staff to provide the courts with the information needed, but we are unsure what that all entails as of now.

At the Business Committee meeting on December 14, 2016, Melinda Danforth made the following motion “that the Business Committee respectfully request the Chief of Police to do a follow-up letter to tribal members that live in Outagamie County regarding the jurisdiction of the Oneida Police Department and Outagamie County Sheriff's Department.” The Oneida Police Department has worked with Oneida Enrollments, Oneida GIS, Outagamie County Sheriff, Outagamie County GIS, and the Outagamie County Communications Center to accomplish this. A draft letter was sent to the Outagamie County Sheriff to review and is currently in the process of finalizing to have the letter sent out.

9. Activity/Training

Dispatcher Resigned during field training, the hiring process has begun to fill that position. One officer did not pass field training and was re-assigned to security. Officer Ralph Powless finished the field training process and is on patrol.

10. Oneida Gang Task Force Coordinator

Work daily with the youth involved in the Yethiyatanunha Program. Assisting with credit recovery and day to day struggles with family and friends through discussion and group. Attended Tribal Action Plan training in South Carolina with Council Women, Fawn Billie, Behavioral Health counselor, Tina Baeten and Pricilla Belisle. Working with partners to form a strategic plan to combat drug and alcohol issues within the Nation's youth and families. On April 20th we will be bringing the Tribal Resolution for the formation of the Team to the QOL, and then to the BC for approval. Once approval is made the initial team will invite vested members of the community to join the coordinating committee and the full community readiness assessment will begin with assistance from Sepriano Lacario from SAMSA. Wrote and submitted the Coordinated Tribal Assistance Solicitation (CTAS) purpose area 9. This grant if awarded will fund the continuation of the Yethiyatanunha Program for an additional 4 years. The decision on that grant will come through the 1st week of September. Planning the

Yethiyatanunha summer program with the addition of an outreach component for youth deemed most at risk entering freshman year at the Oneida High School.
