EQUAL EMPLOYMENT OPPORTUNITY STATEMENT

The Oneida Nation does not discriminate on the basis of race, color, national origin, sex, religion, age or disability status in employment or the provision of services. However, individuals of Indian ancestry and Veterans will be given preference by law in initial employment or re-employment.

POSITION SUMMARY

Under the direct supervision of the Revenue Audit Supervisor monitor, verify, and enter all data that is received from the slot reporting system; analyze reports from the slot accounting system for possible machine problems. Identify and communicate variance and/or communication issues related to the slot machines and accounting system. Accurately document and record the actual revenue and payout transactions compared to the system transactions. Maintain confidentiality of all privileged information. Continuation of this position is contingent upon funding allocations.

DUTIES AND RESPONSIBILITIES:

1. Provide for the delivery of excellent customer service for all internal and external customers of the Accounting Department at all times and in all activities. Establish and maintain effective working relationships with all internal and external customers of Oneida Tribal operations. Develop solutions for customer concerns and continually focus on customer service.
2. Assess and analyze all work performance activities for the purpose of continually improving in any area. Ensure systems are in place which guarantees work activities are completed and guarantee results. Ensure systems and people are aligned to provide results established in all areas. Make improvements as needed and recommend needed improvements to all Senior Management personnel.
3. Develop, maintain, and facilitate effective relationships, communications processes and activities with all Gaming services personnel, and all other internal and external customers. Ensure established procedures and processes are utilized at all times to ensure maximum understanding and coordination is in place.
4. Ensure compliance with all regulatory requirements in all areas at all times. Adhere to established quality, service delivery, customer service, and customer demand expectations. Adhere to all audit, and legal regulations/laws and practices.
5. Enter and upload meter and drop information for all slot machines.
6. Verify that hard count and soft count have been entered correctly.
7. Upload payouts for all locations as well as coin free machines.
8. Notify Slot Tech Department for problems by documenting and issuing work orders timely.
