Clean Air Policy

Article I. Purpose and Policy
1-1. Purpose. It is the purpose of this Clean Air Policy to provide a healthy working and learning environment within buildings and vehicles owned and operated by the Oneida Tribe.
1-2. Policy. The Oneida Tribe is committed to health and wellness in all forms. There is long standing evidence that smoking is harmful to oneself and that second-hand smoke is harmful to others. In addition, the long term effects of electronic cigarettes on individuals are unclear. In an effort to provide a healthy environment for children, employees, and visitors, smoking will be restricted as described within this policy.

Article II. Adoption, Amendment, Conflicts
2-1. This Policy was adopted by motion of the Oneida Business Committee on May 25, 1994 and amended by resolution BC-02-24-10-I and BC-05-28-14-A.
2-2. This Policy may be amended or repealed by the Oneida Business Committee pursuant to the procedures set out in the Legislative Procedures Act.
2-3. Should a provision of this Policy or the application thereof to any person or circumstances be held as invalid, such invalidity shall not affect other provisions of this Policy which are considered to have legal force without the invalid portions.
2-4. In the event of a conflict between a provision of this Policy and a provision of another law, ordinance, policy, regulation, rule, resolution, or motion, the provisions of this Policy shall control. Provided that, nothing in this Policy is intended to repeal or modify any existing law, ordinance, policy, regulation, rule, resolution or motion.
2-5. This Policy is adopted under authority of the Constitution of the Oneida Tribe of Indians of Wisconsin.
