

**SUSTAIN ONEIDA**

prepared for:

**General Tribal Council**

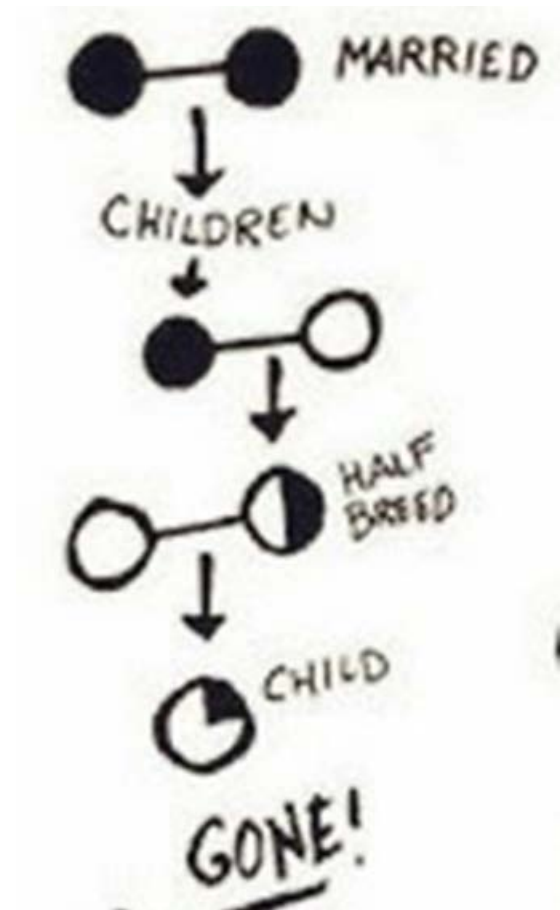

June 2018

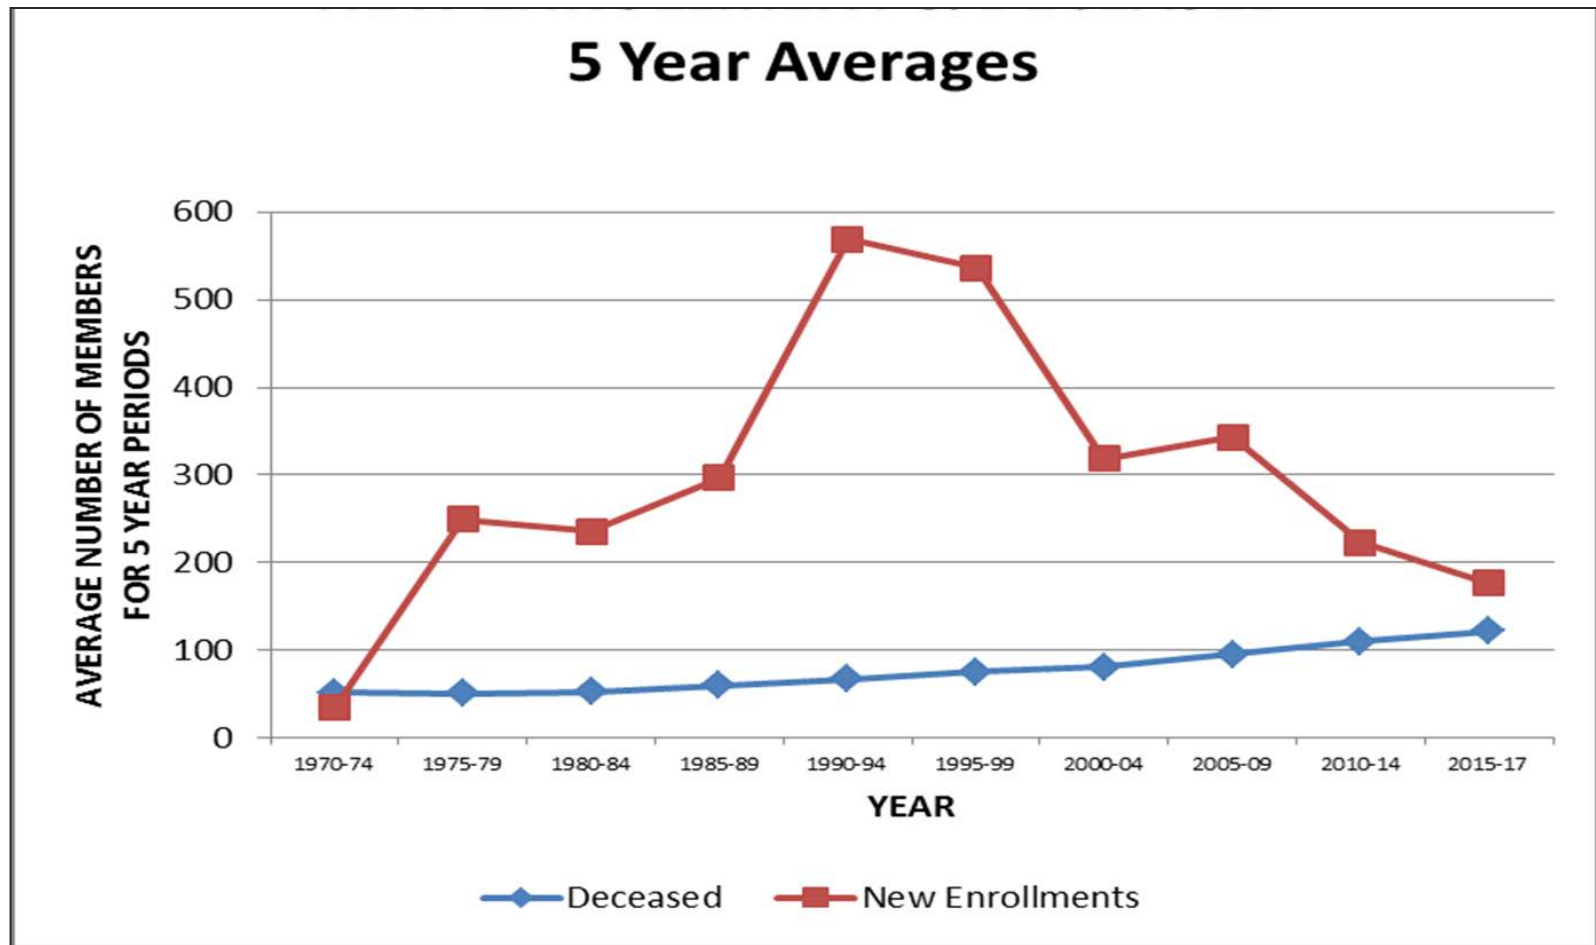

**ONEIDA**

# What is required to be an enrolled Oneida

- Currently, an enrolled member must meet the one-quarter ( $1/4$ ) degree blood quantum.

# New Enrollment & Deceased

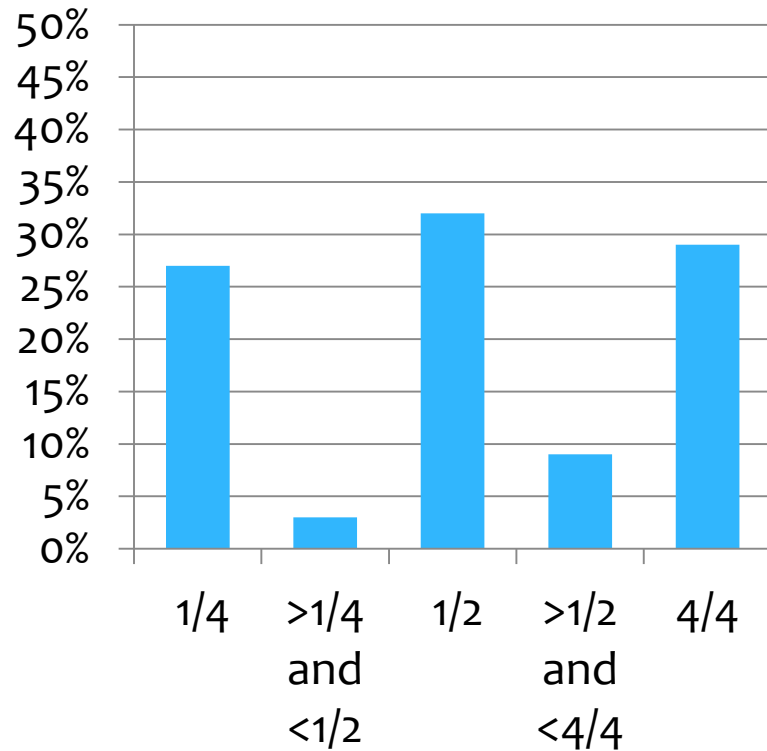

# Oneida Blood Quantum Comparison

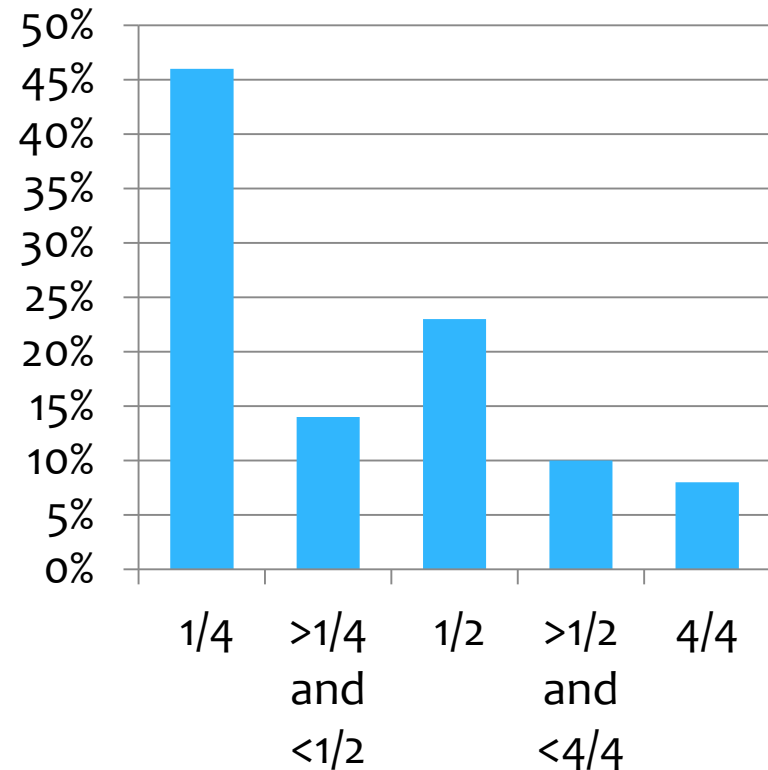

## Then

## Now

1970

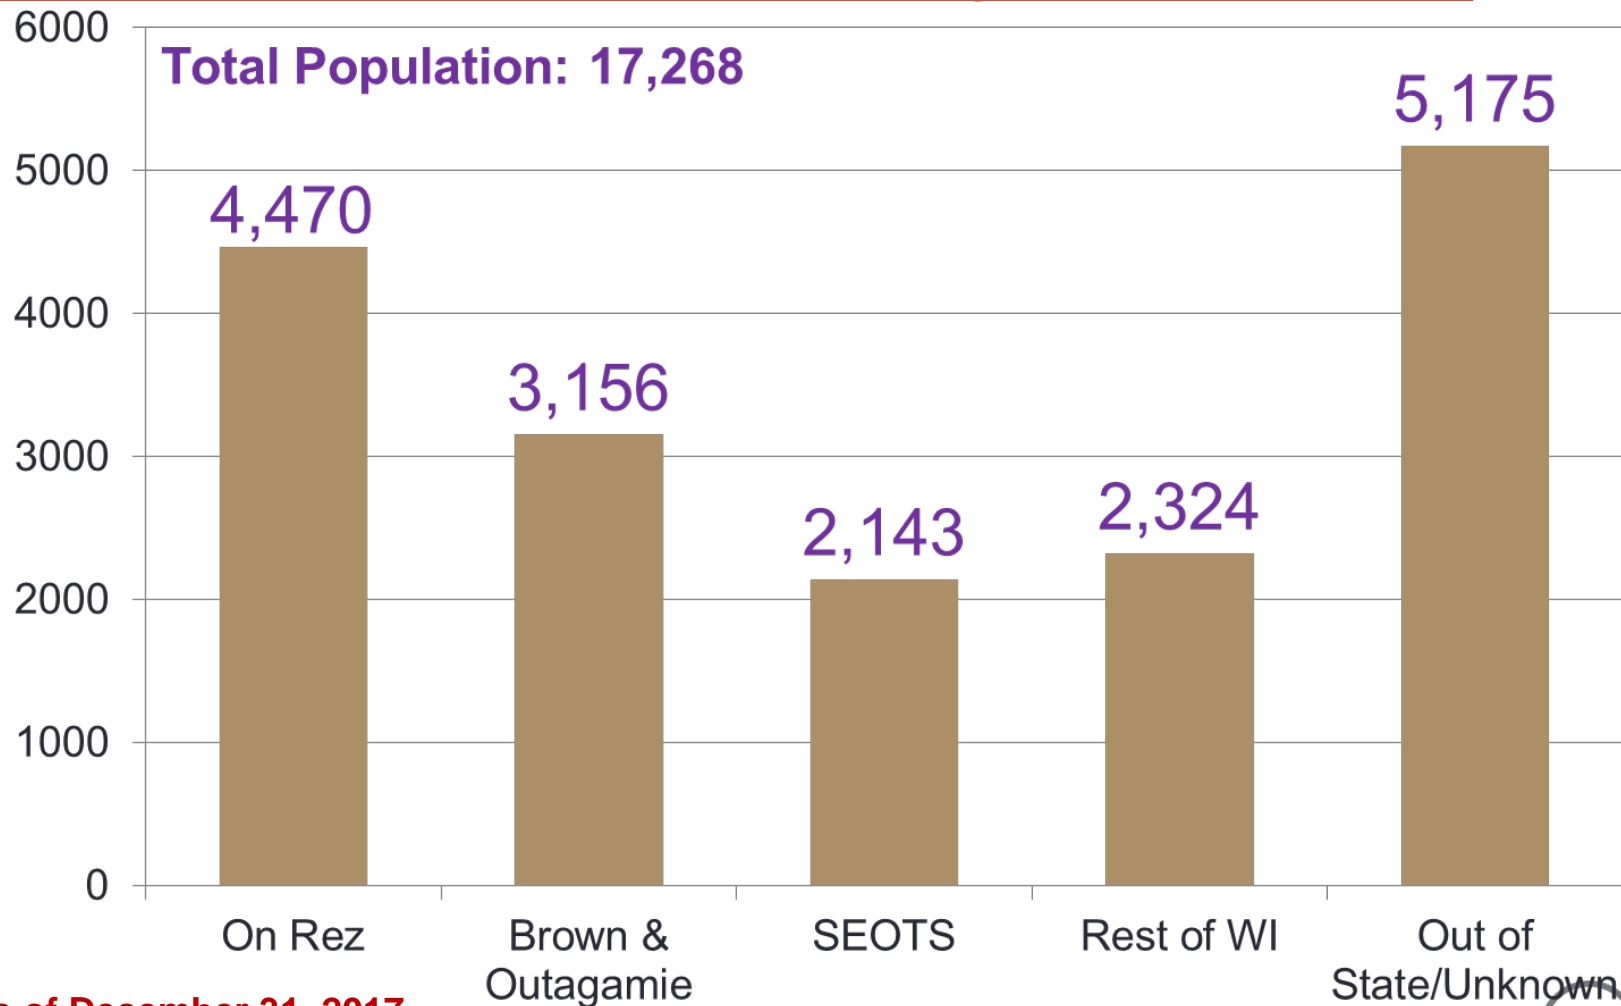

2017

A good mind. A good heart. A strong fire.

# Oneida Population by Location

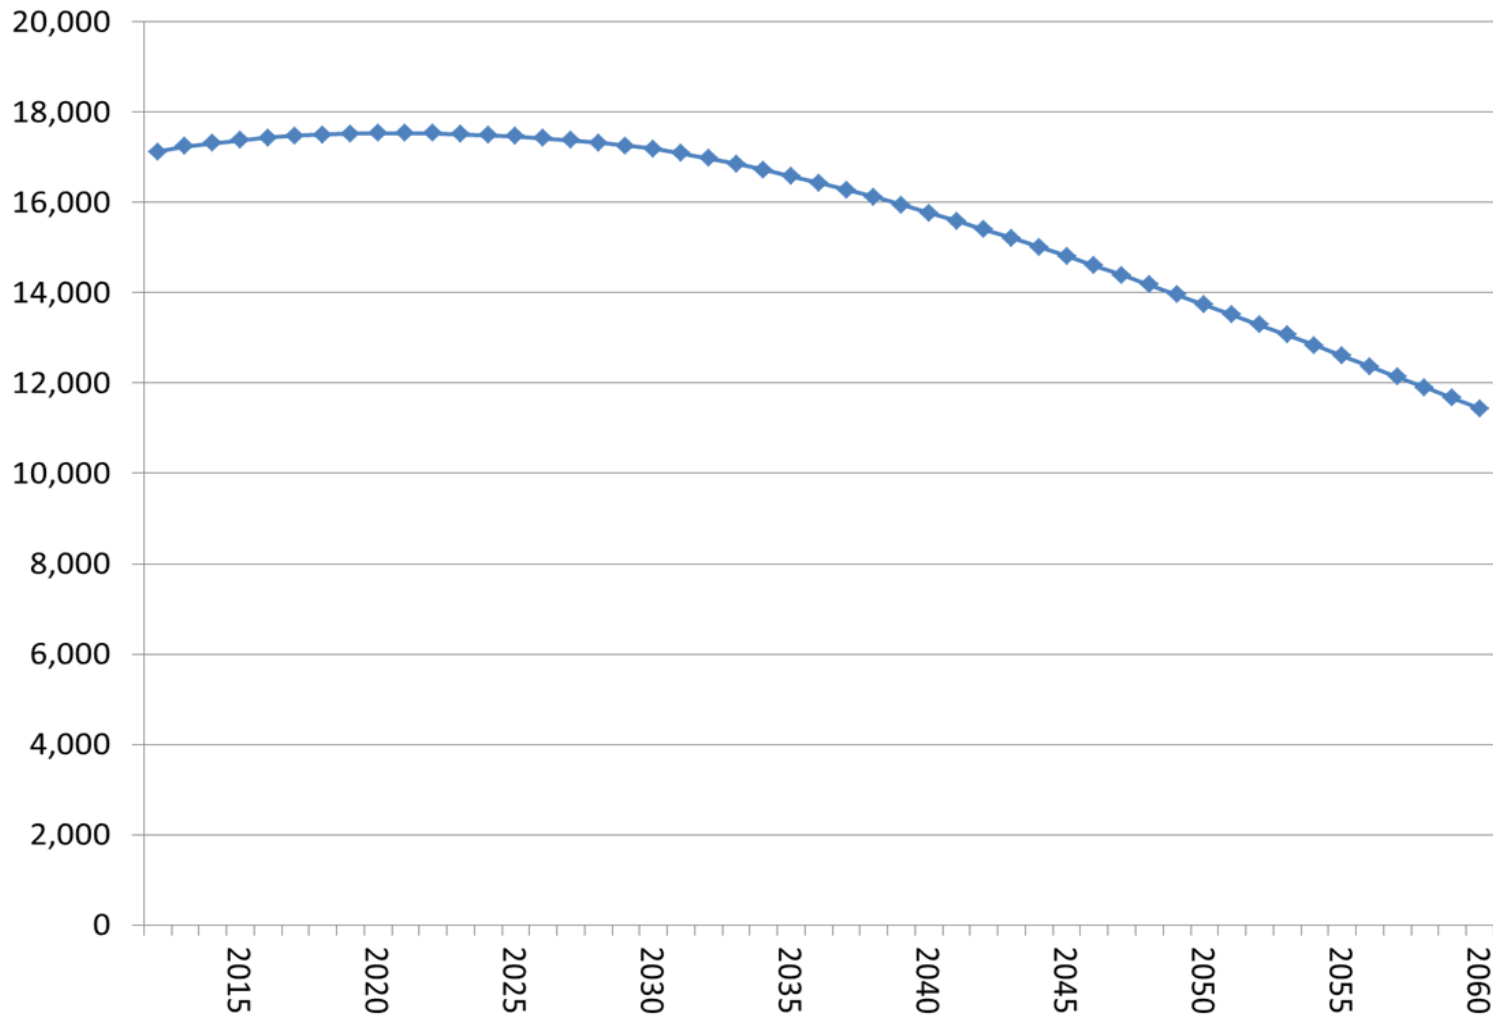

**As of December 31, 2017**

A good mind. A good heart. A strong fire.

# Enrollment Population Projections

A good mind. A good heart. A strong fire.

language children being love long  
quantum kids hear come  
part going enrollment more  
New identity generations tribal  
look know government same learn others  
cultural good native ceremonies strong thinking  
each family live enrolled among take  
help American care idea other white GTC  
everyone back nation work two creator whole  
need all real Oneida proud question  
longhouse money culture right own  
school together place blood  
life belonging land learning years education  
health went tribe everything future  
constitution think important full want  
different change talk another knowing  
Indian membership stay  
world here members nothing  
history members nothing  
home community

# Community Voices

- A survey was sent to all enrolled members 18 years and older
- A second survey was sent to enrolled members 13 to 17 years old
  - The purpose of the surveys is to determine membership priorities of the Oneida Nation (i.e. blood quantum, descendance, live on reservation, etc.)

# Moving Forward

- 2019: Analyze population trends & economic impacts; Share information; Engage Community Focus Groups
- 2020: Present economic impact to GTC
  - GTC may direct any recommended changes to the Oneida Membership Ordinance and/or the Constitution

# Sustain Oneida

In 2023, we recognize the 200<sup>th</sup>  
anniversary of Oneida Nation in Wisconsin!

**Let's have a “sustainable” nation  
by then!**

# **Sustain Oneida Needs Your Voice!**
