A good mind. A good heart. A strong fire.

From time to time we take pictures during daily activities. Child Care would select pictures to highlight activities, in our class environment, on field trips, during special events. We will never reference your child by name or provide any specific information regarding your child without your written authorization to outside entities. The pictures will be used by Oneida Child Care to show the many ways our children can have fun while learning! We are currently creating a website and would like to post pictures on the Website as well.
